## From Dreams To Reality

### If We Hold On Together

Don't lost your way with each passing day.  
You've come so far; don't throw it away.  
Live believing -- dreams are for weaving.  
Wonders are waiting to start.  
Live your strong, faith, hope and glory.  
Hold to the truths in your heart.  
If we hold on together I know our dreams will never die.  
Dreams see us through and forever  
When clouds roll by  
For you and I.

Souls in the wind must learn how to bend,  
Seek out a star, hold on to the end.  
Valley, mountain, there is a fountain;  
Washes our tears all away.  
World's are swaying; someone is praying.  
If we hold on together I know our dreams will never die.  
Dreams see us through and forever  
Where clouds roll by  
For you and I.

When we are out there in the dark  
We'll dream about the sun.  
In the dark we'll feel the light --  
Warm our hearts everyone.  
If we hold on together I know our dreams will never die.  
Dreams see us through and forever.  
As high as souls can fly  
The clouds rolls by for you and I.

# Congratulations

To three beautiful young ladies from Canaan's Youth Department --

Jayna Caroline  
Gzné Johnson  
Knichole LeNoir

As you make your debut into the world of opportunities, remember this is only the beginning, and a time of tremendous change in your life. Change is a way of life; change is inevitable; therefore, use it as an occasion for improvement.

We are living in changing times; yet, the world hates change. "The survival of the fittest" might be an ageless law of nature, but "the fittest" are seldom the strongest. The fittest are those endowed with the quality of adaptation, the ability to accept the inevitable, to conform to the unavoidable, and to harmonize with existing and rapidly changing conditions.

Certain moral and spiritual values never change, and circumstances and conditions never remain the same. A fact cannot be changed, but an attitude can. It is a fact that God loves you and that His plans and purposes for your life are perfectly within His Will for you. Maintain a good attitude through life. What you think about what happens to you affects what happens to you. You are what you think. You think what you are. Your proper praise of God is His will for you. "In everything give thanks: for this is the will of God in Christ Jesus concerning you." (1 Thessalonians 5:18)

An eager smile envelopes a radiant complexion

Cute little socks introduce an architectural preview  
Pretty little shoes protect the other ten  
A twinkle in your eye  
Alerts your watching thongs that  
Its all Swahili to you.

The clouds came  
The rain refreshed and rejuvenated  
The storms strengthened your  
The winds steadied you  
The tears moistened your cheeks  
Winter tested your agenda  
The birds returned  
The sun beams illuminated your spirit  
Gentle breezes beautified your soul.

Now! You are the beautiful now  
Anticipation consumes today's moments  
Moments reflected by yesterday's consecration

DEBUTANTE TAMMY . . . .

MUCH BETTER THAN WINNING

IT'S NOT THAT YOU WIN  
OR SURVIVE THIS HOUR;  
TO NEVER CEASE TRYING  
IS THE GLORY AND POWER,  
IT'S NOT TRIUMPHING  
OR IF YOU SURVIVE,  
THE GLORY IS REFUSING  
TO QUIT WHEN YOU'VE TIRED,  
IN DANGEROUS TIMES  
OF AN ERA CORRUPT,  
THE ONLY REAL GLORY  
IS THAT YOU NEVER GIVE UP,  
MUCH BETTER THAN WINNING  
THOUGH THAT'S A STRONG URGE,  
IS THE GLORY OF REFUSING  
TO GROW DISCOURAGED.

. . . Be of good courage. . .

### For My Daughter

As the years have come and gone  
I've watched you growing up, learning  
to make your own choices...  
becoming a woman. And through the  
years we've come to share a very  
special relationship. I want you to  
know I'm proud of you and I'm glad  
that you're my daughter. This day  
seems like the perfect time for me to  
tell you again...I love you very much.

**Mom**

A daughter grows so  
quickly...watching her  
change from a sweet  
little girl to a  
charming young  
woman is one of the  
most wonderful  
experiences a parent  
can know. If you  
continue to grow, there  
isn't anything you  
can't do.

**Love, Dad**

REMEMBER, LIZONA!!!

AS YOU TRAVEL THROUGH LIFE  
KEEP YOUR GOALS SET HIGH.  
ALWAYS REMEMBER NO ONE CAN PULL  
DOWN UNLESS YOU LET THEM.  
IF YOU KEEP A POSITIVE ATTITUDE  
AND YOUR WINNING WAYS, YOU WILL  
GO FAR.

WITH LOTS OF LOVE, LIZ,  
GRANDMA PHILLIPS

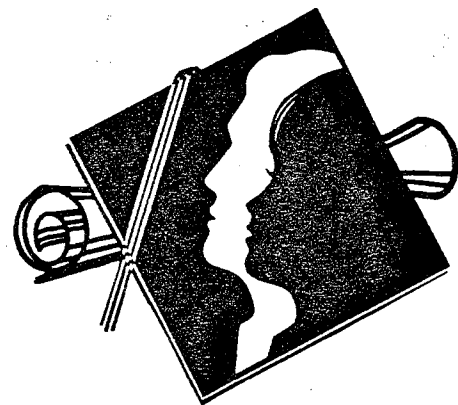

GOOD LUCK AND BEST WISHES!!!

To My Very Best Friend In The Whole World

**Lizona**

I really don't know where to begin! These past six years have been really fun and have made me realize how important friendship is. We've been through so much together. I know that I can be a real idiot at times and I'd just like to say "thanks" for putting up with me. I wish you the very best of luck in the future, though I don't think you'll need it. You're a very intelligent person with a good attitude and I wouldn't trade you for anyone else in the world!

Lots of Love,  
Your Best Friend,

Each flower in the garden has its own beauty, its own unique grace. The creator, in his infinite wisdom, placed you in our garden...our own special flower.

Your laughter and bright spirit taught us much and helped us, too, to grow. After all, it is not easy to nurture a delicate, sensitive soul.

On this life, which is so uncertain, hold fast to those things which kept our forefathers strong:  
 There is strength in love; power in faith; and victory in work and struggle.

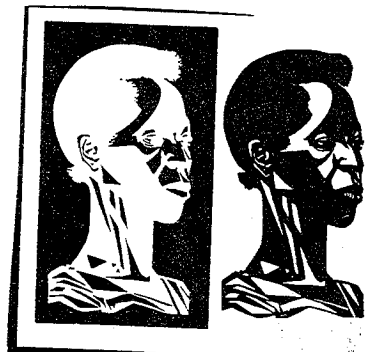

Keep singing your songs. But remember our songs and those of our parents and their parents.

We love you.

Our first grandchild. The first to share in all the family's holidays and celebrations...our special songs and secret sayings. The first to request Granny's cakes and Granddad's golden brown turkey.

Many times we shared the joy of laughing at ourselves. How funny families can sometimes be...the silly things we share.

Each laugh, each tear; a fond memory, a firm foundation for life.

We'll always love you, no matter what you say or do.

Be strong

The loving circle of our family will always embrace you. Sometimes life seems unfair, even unreal. Remember always that you have a place where you belong, where you can be yourself. ## To My Daughter Knichole

Where have all the years gone? It seems like only yesterday that I held you in the palm of my hands. Now you have become a lovely young lady of which I am very proud of.

When you feel you have nothing left to give  
And you are sure that the "song has ended"  
When you day seems over and the shadows fall  
And the darkness of night has descended.  
Where can you go to find the strength  
To valiantly keep on trying?  
Where can you find the hand that will dry  
The tears that the heart is crying?  
There's but one place to go and that is God  
And, dropping all pretense and pride,  
You can pour out your problems without restraints  
And gain strength with Him at your side.  
And together we stand at life's crossroads  
And view what we think is the end,  
But God has a much bigger vision  
And He tells us it's only a "bend".  
For the road goes on and is smoother  
And the "pause in the song" is a "rest"  
And the part that's unsung and unfinished  
Is the sweetest and richest and best.  
So rest and relax and grow stronger  
Let go and let God share your load.  
Your work is not finished or ended,  
You've just come to "a bend in the road".

If there be any virtue and if there be any praise...think on these things.

Love always,  
Your Mother and Your Friend,

Gloria

You were born to be a winner  
There's no way that you can lose  
You just hang in there and whistle  
When you're bothered by the blues.

When a best friend disappoints you  
And you're crying deep inside  
You just somehow grin and bear it  
And your heartaches always hide.

You don't run to catch a rainbow  
But the pot of gold you find  
When you stop to smell the roses,  
You're a winner every time!

Every dawn is new beginning --  
With new blessings to ensure --  
And a newer chance for winning  
What today denies to you.

Let no love or faith to waver --  
While tomorrow you await --  
For the blessings of our Savior  
Are rewards for love and faith.  
He can see the tears you're crying  
And can hear the prayers you pray;  
Keep your faith, in Him, relying --  
And await the new born day.

**Lovingly & prayerfully,  
Gale & Rose Holmes**

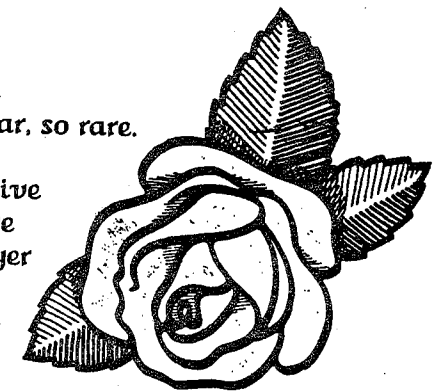

*My friends and what they mean to me  
Make up a precious rosary;  
Each one I need and none can spare,  
For each is answer to some prayer.*

*My friends -- all links in life's weak chain,  
refresh my soul like needed rain.  
And when it's dark, they bring a ray  
Of hope that drives my cares away.*

*Each does what he alone can do  
To make some cherished dream come true.  
No path with him leads into sin  
And life is good because of him.*

*In solitude I meditate  
On blessings one can not relate.  
But of them all, none can compare  
With thoughts of friends -- so dear, so rare.*

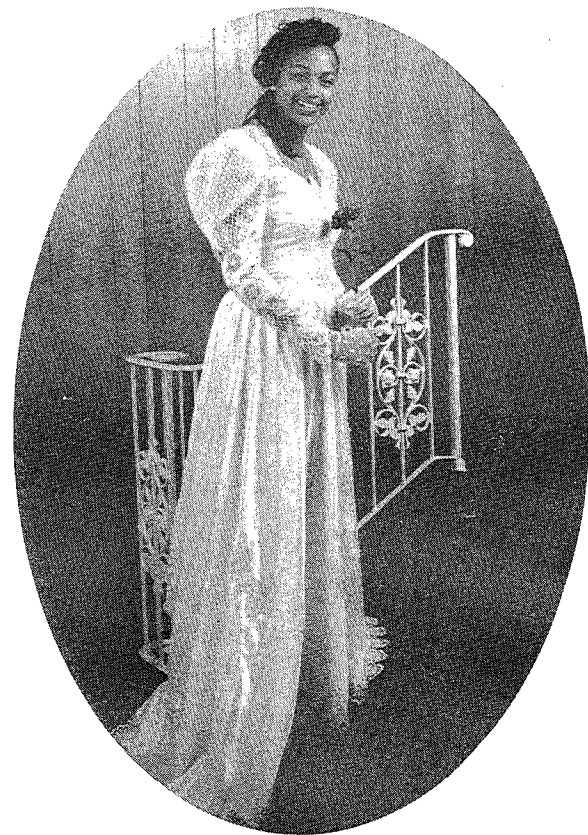

*Without them who would care to live  
With none to take and none to give  
The joys that fill the soul like prayer  
And lift us above all care?*

**Thanks to all of you who helped us in any  
way possible.**

DON'T CROSS YOUR RIVERS 'TIL YOU COME TO WHERE YOUR RIVERS ARE, FOR FAITH CAN MAKE THEM DISAPPEAR AND YOU WILL JOURNEY FAR. FOR CROSSING RIVERS IN ONE'S MIND WHEN RIVERS ARE NOT REAL REQUIRES NO BRILLIANT INTELLECT NO CALLS FOR SPECIAL SKILL. DON'T CROSS YOUR RIVERS 'TIL YOU COME TO WHERE YOUR RIVERS ARE, BUT WHEN THEY'RE REAL, DON'T FEAR TO CROSS; THAT'S WHAT A RIVER'S FOR! Always remember in all thy ways acknowledge him and he will continue to direct your path.

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonged to him and the other to the Lord. Later on it bothered him that at the very lowest and saddest times in his life he only saw one set of footprints. He felt that God had left him. He didn't realize that it was then that Jesus carried him!

Deborah, always remember that if you put it all in God's hands, he will carry you through!

*Our Niece and Cousin*

Just as the beautiful rose blossoms from the tiny seed, so you have blossomed from a small, helpless baby to become the beautiful, Christian, young, Black woman that you are. It is difficult to believe that you have reached this momentous point in your life. The years have certainly passed quickly. Nevertheless, the passage of time has not lessened our love for you. We, your family, do love you very much and are very proud of the person that you have become. Yet, as much as we love you, God loves you even more. Please remember that He does, indeed, love you and wants His best for you.

As for God, His way is perfect: the word of the Lord is tried: he is a buckler to all those that trust in Him.

Psalm 18:30.

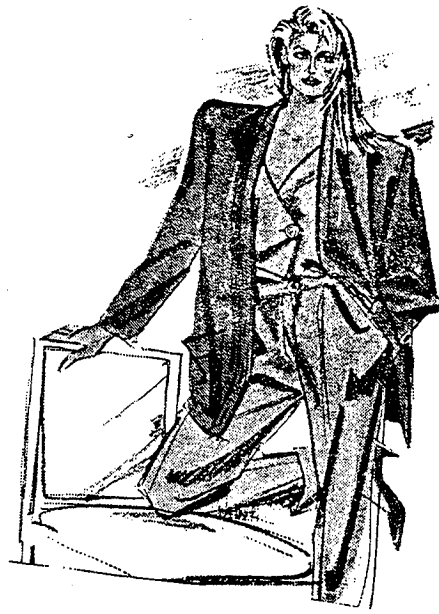

Keep your trust in God and He will give you Perfect Success!

Your loving family,  
The Buckleys

Always remember to keep God in your heart, wisdom and knowledge in your head, a book in your hand, and money in your pocket. If you heed this advice, you will make it.

And let nothing sway you or turn you away  
From God's old commandments...  
They are still new today.

**SUPPORT BLACK-OWNED BUSINESSES & BLACK PROFESSIONALS -- HELP BUILD THE BLACK COMMUNITY**

Brought To You By

**PHENOMENAL WOMAN IMAGE COMMUNICATIONS**

At the top of this page is a symbol representing what the Black community should begin doing around the country in 1990. The symbol is a pyramid that has Black business on one side, Black organizations on the other side, and the Black community as the base. This symbol simply means that if the Black community increases its support to Black businesses, Black businesses can be influenced by the Black community to finance Black-controlled organizations whose goals will be to address and seek to eliminate the social ills facing our community.

There is no reason for us not to be able to eliminate hunger and homelessness in our community if all it takes is money. There is no reason that we cannot develop recreational outlets and meaningful educational opportunities for our youth, if all it takes is money. There is no reason that should stop us from bringing our elders back into the community to provide us with the knowledge and wisdom of their years... if all it takes is money.

We have plenty of money in our community. White people know we have money. Arab people know we have money. Asian (Japanese, Chinese, Korean, etc.) people know we have money. And you know the dope man knows we have money. It is time we begin to spend our money wisely.

America has told us that we need to pull ourselves up by our bootstraps and it's time to do just that. Nobody has time to feel sorry for us anymore; and we no longer have time to feel sorry for ourselves.

It is very important that we, as Black people, make a concerted effort to spend at least 10% of the money that we receive from our paychecks, public aid checks, general assistance checks, SSI checks, Social Security checks with Black-owned businesses. We should also support Black salespeople working for companies not Black-owned when we buy from those companies.

It is equally important that we, as Black people, begin to go into all kinds of little businesses even if we're only selling one item. By doing this we can build our economy by keeping dollars in our community.

It is time for Black elders, Black adults, Black teenagers and Black children to make a conscious effort to support each other in business so that we can bring about a new day in our community.
