To my great niece Toni:

I am very proud of you and what you have accomplished thus far. Keep up the good work and keep God at your side and in your heart at all times.

Remember Proverbs 3:1-8 with special incite and emphasis on verses 5 and 6.

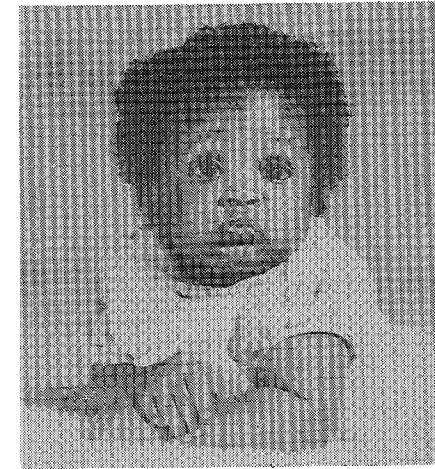

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

Toni, always reach up and set yours goals high. Keep your mind and eyes on your goal and let no one turn you from it. God will take you through as long as you trust in him. My best to you now and always.

Love,

To my daughter Ajana,

I am humbled and deeply grateful to our creator for the children born to us. Each day I am reminded how God provides us with the potential and creative energy necessary for our spiritual and physical growth. As your mother, I want so desperately for you to continue to reach as you define and refine the person you choose to be. I like what I have seen as you continue to reveal to me and others your inner beauty. You are indeed a "beautiful flower". Thank you Ajana Marie for coming into my life and truly causing me to say with a great deal of pride and gratitude, I am so blessed to be called your mommy and you my daughter.

*Love you always!
Eunice and Chaya*

*To my precious beautiful flower,
Ajana.*

*I'm so proud of you and your
efforts. I love you.*

When I think of Ajana, I think of intelligence, I think of confidence, I think of a level-headed, happy young woman. Ajana, you have the security of a mother's love and of God's special blessings. You are indeed wealthy. Although real wealth is determined by the level of your ability to live out your dreams, regardless if others see them as practical or outrageous. Just enjoy the special moments (such as this moment of introducing yourself to your community). And as Jehovah smiles his favor upon you, may success be yours. And you remain the master of your mental, emotional, physical, and spiritual self.

Ajana

Looking into your eyes one can see your thoughtfulness and caring ways. Eyes that look into the world most bitter and a smile that brings the sun out each day. You have a smile that shines like a million stars that can brighten a room of darkness and could warm the coldest cell fenced by bars. You have the quality to make the frowned, smile, make the sad, rejoice, and make the uneasy feel at ease. You make one believe dreams can come true. These are the beauties you possess that come from deep within. A queen you are, Mahogany, on any scale, a perfect ten.

From your cousin Mike

Ajana

"Sugar and spice and everything nice, that's what little girls are made of". How better to describe you Ajana. From the time you were a baby you were so pretty, filled with love and curiosity. As you have matured, you have added confidence. You sought the high roads, never the low ones, always giving your very best. Whatever you undertake, we are sure you can achieve.

*With love,
 auntie Mayne & Auntie Dorothy*

Dearest Ajana,

With great pleasure and joy do I contribute in your behalf. I hope and trust you will aim for the highest of standards as you continue on in your life. I wish for you, my dear niece, lots of success and triumphs. With love.

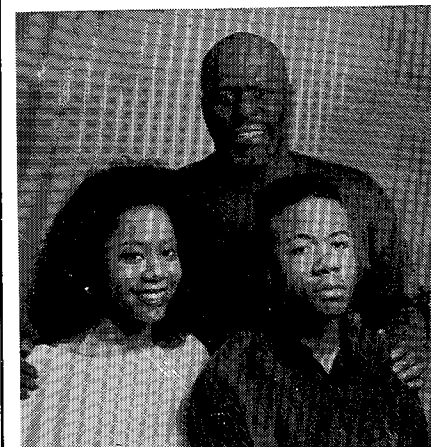

*Entre yours,
Your Uncle Colonel*

Ajana Boone,

By your own virtue, you are a star. Make yourself a capacious star. May your goals be of your design, not those of others. May they be enhanced by your refinements to amply benefit you. May it serve you perpetually. Please keep your Celestial Father's views always in the forefront of your heart, mind and soul to benefit you now as well as in the days before you.

*Sincerely yours,
Billy Johnson*

*Best Wishes in all your
future endeavors.*

To Our Daughter

Jolynn

We always wanted the best for you. There are so many choices, so many decisions in raising a child. We prayed that we were doing what was best for you and raising you the best way possible. But now we see the wonderful person you've grown to be--the confident, caring, warm-hearted, young woman you've become. And we thank God that you're everything we hoped you'd be.

*Love,

To My Sweet Granddaughter

JoLynn,

I give me great pleasure to support you in your endeavor to be all that you can be. We are living in a period when our moral values, attitudes, concerns for our fellow man, and our individual self-worth have been tarnished by the evil that men do. There are times when it appears that we as a people have been engulfed by the darkness that permeates our society. It is during these times that we must accentuate the positive.

We urge you to continue in your effort to be a positive force during this period of darkness and beyond. Let your intelligence, grace, and beauty reflect a light that will pierce the darkness and serve as a beacon for all who seek the light at the end of the tunnel. May God bless you in all your future endeavors.

Sandra,

Complimenting yourself Everyday

"Cast not away therefore your confidence which hath great recompense of reward." Hebrews 10:35

Complimenting yourself everyday is something that's needed in our lives. For you, Sis. Sandra Carter, in being a child of God, He knows that you need a pat on the back. There are nobler dreams that God wants you to pursue; there are more battles to be fought. So the need for endurance to the end causes for self-motivation from within. This comes from God through his Holy Spirit inside by the love of our Lord and Savior, Jesus Christ.

Prayerfully yours,

May God Bless You
Congratulations to a Special Daughter
From Mom And Dad

You said to lean on Your arm
And I'm leaning
You said to trust in Your love
And I'm trusting
You said to call on Your name
And I'm calling
I'm stepping out on Your Word
Maya Angelou

You showed a lot of promise
Even when you were the littlest girl
Today, you are a wonderful, intelligent young lady.
You look upon a complicated world,
And you are beautifully ready for its challenge.

Trust in the Lord with all thine heart,
and lean not unto thine own understanding.
In all thy ways acknowledge Him,
and He shall direct thy paths.

Proverbs 3:5,6

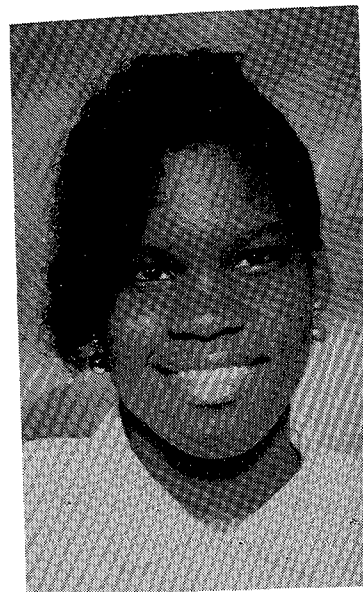

Lea,

God grant you the serenity to accept the things you cannot change, courage to change the things you can and the wisdom to know the difference.

As you move towards womanhood, remember from whence you came. You are God's child! Therefore, you carry your strength inside. Be ever mindful that 'Every good and perfect thing comes from above.' When the road becomes rocky and worldly trials and tribulations confront you, look up and be assured that God is still on His throne. Therefore, you are never alone.

Faith To Move A Hill

Great faith to move a mountain,
 To some would be a thrill,
 But I'd be pleased to have,
 A faith to move some hills.
 Hills slow a person down,
 And if I move much faster,
 I've got to move some hills,
 And rigdes I can't master.
 The one thing that I am needing,
 Is faith to cope with hills,
 That may keep me from succeeding.
 Lea, sometimes you may need to move the hill and
 other times to move the mountain. Great faith
 comes as a result of your prayers. Strive always for
 excellence!

With Love

From your Uncle, Mr. Dana A. Hill

Recognition of the magnitude of creation heightens our awareness of the small but essential contribution that we each offer to the whole. We come to know that we are necessary to its completion, thus we are special. With that knowledge we are quieted, softened and secure. We are at peace.

The road stretching before us looks long and will often be rocky. We'll inch along at times. But when we remember our value, our unique necessity to the whole, the rocks will easily be side-stepped and our pace will quicken. The first element of greatness is fundamental humbleness,

Tréshana,

You can be whatever you want to be...

There is inside you all of the potential to be whatever you want to be. All of the energy to do what ever you want to do, Imagine yourself as you would like to be, doing what you want to do, and each day talk on step towards your dream. One morning you will wake to find that you are the person you dreamed of, doing what you wanted to do simply because you had the courage to believe in your potential and hold on to your dream.

In all thy ways acknowledge him, and he shall direct thy path.

As You Grow*

*UNDERSTANDING that you are growing up and changing very fast.
It must be difficult to keep pace with yourself, but please try.*

*LISTEN to yourself and give brief, clear answers to you questions.
As I will keep sharing my thoughts and feelings.*

*REWARD yourself for telling the truth.
Then you'll not be frightened into lying.*

*TELL yourself when you make mistakes and see what you learned from them.
Then you can accept that you're okay even when you blunder.*

DO the things that you want to do. Then you'll be a good role model.

PAY ATTENTION to yourself and believe you're very important and worthwhile to yourself.

COMPLIMENT & APPRECIATE yourself. Then you'll feel good and want to please others.

*HELP explore your unique interests, talents, and potential in order for you to be happy.
You need to be yourself, not someone else.*

"Be an individual and create your own happiness, then you can teach others the same."

*Love always,

*To Shamika
Tree of Life*

We can remember the day you were born.

At that very first moment we knew you were special.

Papa Herb would just hold you and smile, saying all the while what a beautiful baby you were and that somehow you were different from the rest...

Different from the rest...yes, indeed!

If Papa were here today he would see the young lady you have become.

You make this family proud and you are definitely a leaf on the family tree that those after us will talk about and pass on to their children.

On this day, know we are proud of you for always having in your heart the time to smile, always thinking of others.

Stand tall today! Take a moment and give thanks to god.

May the future hold nothing but wonderful things...

Love always,

Shamika,

*There is continuity between the past, present and the future.
Remember the effort and the sacrifices of those who have gone before you.
Remember the importance of the month of February.
Continue to demonstrate the intellect, grace, and beauty that I have come to recognize in you.
The positive traits that you demonstrate today will help to pave your way to the future.
Set your goals high, work hard to excel at whatever goals you set.
Remember, the future is yours. Run, don't walk - get your piece of the Rock.
May God bless you on your journey.*

Listen to the old folks,
Remember what they say.
While you're on your journey,
Don't forget to pay your way.

Keep your eyes wide open
To see everything that's there.

Don't move too fast,
and please don't go too slow.
Listen to the old folks,

If you stumble and fall, try again.

They've already been.

*Tribute to
Mrs. Patrice Shanee Pelmore*

Patrice, you have grown and matured into an intelligent young lady.

You are entering into a world that will offer you both fortunate and unfortunate opportunities in life. The way you handle these opportunities will affect your outcome in life. If you encounter an advantageous opportunity, then view it as life is not all that bad. If you experience an ill-fated opportunity, then channel your anger into a positive mode, and God will see you through.

Along with these opportunities, there are bridges you must cross. There are so many bridges you have already crossed and you will confront many more bridges in the future. The bridges you have already maneuvered should not be burned behind you for you never know when you might need to revisit them or if you should need to retreat or regroup. When approaching impending bridges along life's highway, always acknowledge God first and he will direct your path.

Even though we do not have the same views about life, under the surface we both care deeply. You will always have a place in our hearts. We wish you well in all your future endeavors and which ever path your life take.

Love,

Dad and Shirley Shelton-Pelmore

Angel Perkins,

When life seems to bring nothing but a string of defeats and disappointments, you've got to have faith that something good is still in store for you. With this faith, you can forge ahead and continue to put forth your best effort. Without it, you give up and accept what comes your way, good or bad. Your precious dreams begin to seem absurd.

It is imperative that you see yourself as worthy and deserving of a good life. There may be rejections; it may take awhile; but as long as you stay in the game, there's every chance you'll score. On the sidelines, you can only watch as others do the work and the winning.

Good Luck

A Life Worth Living

*To pray and not give up,
To work and not give out,
To wait and not grow weary,
that's what life's all about.*

*To love and not to hate,
To heal and not to leave scars,
That's what your life is for.*

*To laugh and not complain,
To give and keep on giving,
To hope and not despair,*

That's what makes life worth living.

*Amber, allow God to always do His best in your
life and He will always allow you to give your
best. We hope these words will be an
encouragement to you. Strive always for
excellence!*

*Time has gone swiftly. Seems like yesterday you were just a little girl.
Today you are a very charming, beautiful young lady of whom I am very proud.
Follow your dreams. Take one step at a time and don't settle for less. Just
continue to climb. If you stumble, don't stop and lose sight of your goal.
Remember to always trust in God and put Him first in your life.*

Debutante Rhonda Michelle Terry
When things go wrong, as they sometimes will, when the road you're trudging seems all uphill, when the funds are low and debts are high, and you want to smile, but you have to sigh, when care is pressing you down a bit, rest, if you must-but don't you quit. Success is failure turned inside out-The silver tint of the clouds of doubt- And you never can tell how close you are, it may be near when it seems afar; So stick to the fight when you're hardest hit- its when things seem worst that you must not quit!!!

Michelle,

Be careful for nothing: but in everything by prayer and supplication with thanksgiving let your request be known unto God.

Let your pleasures in life Michelle be based on whatsoever things are honest: whatsoever things are just, whatsoever things are lovely, what whatsoever things are of good report.

And through life's journey of time as you collect your treasures, seek divine strength and always remember:

You have all that greatest have had
Two hands, two feet, two ears, two eyes

With all this "Equipment", they all began
So start from the top and say "I Can".

You both have grown into strong and beautiful young ladies. Our wish for you is that as you travel along life's highway, your journey will be smooth and trouble free. But when adversities rage in your life, don't be thrown off course. Be strong, keep your eye on the prize, and hold tight to God's unchanging hand. Everything you dream of; everything you hope for; and everything you strive for can be yours when God is first in your life. Our best wishes go with you always.

CONGRATULATIONS!

To four beautiful young ladies from Canaan's Youth Department:

Jolynn Caroline
Lea Hill
Treshana Jackson
Amber Roberts

As you make your debut into the world of opportunities, be aware of obstacles but never be preoccupied with them. An obstacle course is a challenge; therefore, never confuse obstacles with objections. And don't consider an obstacle to be a valid objection to keep you from being the best that God created you to be.

In Christ you have the capacity to have completeness of personality. See yourself as being distinct and unique among people as each snowflake is among all others. Never try to compare yourself to any other person. Don't try to copy anybody and thus commit suicide of personality and character. Be the you only you can be. Let the world catch a glimpse of a designer original -- you!

See yourself as being in union with your Creator. See yourself as a part of His plan. Your influence on the total world may be minimum, but the only issue is, what impact will you have on your sphere of influence?

"In Him [Christ] we live, and move, and have our being" (Acts 17:28). When you see yourself as a person who lives and moves and has her being in the presence and power of God, you will realize He is allowing you to become a mature, developing total person.

This is **ONLY THE BEGINNING!** You can't go back to where you've never been, so look forward to where you would like to be in life.

An important word for life's vocabulary is **ATTITUDE!** Your attitude determines your altitude, so be a good steward. An attitude is more than a fact. A fact cannot be changed; an attitude can. Maintain a good attitude at all times, at all cost. What you think about what happens to you affects what happens to you. You are what you think. You think what you are.

Exercise your mind. Memorize challenging passages. The mind, like a muscle, must be flexed. It becomes trustworthy when trusted and dependable when depended upon. Push back the frontiers of your knowledge all the days of your life.

"Let the Word of Christ dwell in you richly in all wisdom" (Colossians 3:16).

Love,
Your Pastor and Wife,

FOLLOW YOUR DREAM
by Amanda Bradley

Follow your dream ...take one step at a time
and don't settle for less, just continue to climb.
Follow your dream ...if you stumble, don't stop
and lose sight of your goal, press on to the top.
For only on top can we see the whole view,
and what we can do, can we then have the vision
to seek something new ...Press on,
and follow your dream.

May God continue to shower his blessing
upon your lives, and may his grace continue
to shine through you!!

With much love,

The Biggers Family

The doors of opportunity are marked; "Push and pull." Ability will enable a person to go to the top, but it takes character to keep her there. Take care of your character, and your reputation will take care of itself. Jesus is a friend who walks in when the world has walked out. Remember, God plus one is always a majority. Best wishes for a successful future!
