Cotillion 1997

Gamma Upsilon Psi

Society

proudly presents,

"Reflections of Silver"

their 25th Annual

Debutante Cotillion

A MESSAGE FROM THE PRESIDENT . . .

Dear Cotillion Supporter,

Twenty-five years ago, the men of Phi Beta Sigma Fraternity, Inc., Epsilon Mu Sigma Chapter pursued a dream that evolved into the Cotillion in the Champaign-Urbana area. In 1974, a group of interested women began assisting the Sigmas. In 1975, the women's group adopted the name of Gamma Upsilon Psi Society, and since 1977, the Gammas have been the sole sponsor of the Cotillion.

We are thankful to the illustrious men of Phi Beta Sigma Fraternity that they had the foresight to capture their vision and bring their dream to reality.

Patricia McKinney Lewis

Today, with the grace of God, we are remembering the dream and celebrating the 25th Debutante Cotillion Ball. We are very proud that more than 300 debutantes have made their entrance into society through our Cotillion.

You can feel proud, too. The financial assistance we have provided each debutante has been made possible because of your continued support. Your support comes in the form of advertisements, patrons, and purchasing of tickets. We thank you and appreciate your continued support.

We also genuinely appreciate the dedication and commitment we've had from parents and other family members who have assisted the debutantes over the years.

As president of Gamma Upsilon Psi Society, I would like to thank each Gamma member for her diligence, persistence, and hard work. Gamma members have worked untiringly for years to produce a quality Cotillion. This year we expect nothing less than the exhilarating, effervescent, magnificently electrifying pageantry of which we are accustomed!

Thank you for helping keep the dream alive. We can do all things through Christ who strengthens us.

HAVE A FANTASTIC EVENING!

Sincerely,

Patricia McKinney Lewis

Debutante Dedication

I Believe I Can Fly

As sung by R. Kelly

*I use to think that I could not get on
And life was nothing but, an awful song
But, now I know the meaning of true love
I'm leaning on the everlasting arms.*

*If I can see it
Then I can do it
If I just believe it
There's nothing to it*

*I believe I can fly
I believe I can touch the sky
I think about every night and day
Spread my wings and fly away*

*I believe I can soar
I see me running through that open door
I believe I can fly*

*See I was on the verge of breaking down
Some times silence can seem so loud
There are miracles in life I must achieve
But, first I know it starts inside of me*

*If I can see it
Then I can be it
If I just believe it
There's nothing to it
I believe I can fly*

"Behold, children are a heritage from the Lord..." Psalm 127:3

**TO DANIELLE -
On October 23, 1979, you came into our lives as a precious gift from God, and we will never be the same....**

**We brought you home and held you close and felt the warmth,
We survived Dad feeding you ice cream at two weeks old,
We pinched your legs and kissed your neck,
We watched you walk and begin to talk (you haven't stopped since),
We splashed in the water as you learned to swim,
We played with your dolls as you gave them loving wear and tear,
We planned and survived many a birthday bash,
We read "Poky Little Puppy" at least five times per night,
We said our bedtime prayers,
We ran to meet Dad when he came home for dinner and pushed the buttons
to make the siren blast,
We held the bicycle until you go it alone,
We bought stock in Band-Aids so we'd never run out,
We held your hand and walked you to the school building and wiped our
tears away,
We watched our joy as you held your sister for the first time,
We fed bottles, changed diapers, danced - whatever it took to make her
happy!
We rescued forks from the toaster?!
We got our ice cream and huddled to watch our favorite TV show,
We survived Dad taking you to get your hair cut,
We watched you go to your first school dance and look so grown up,
We made it through - freshman Algebra,
volleyball practices and games,
your first boyfriend,
your first job
and learning how to drive(!),
We have watched you grow from a tiny baby into a strong, dynamic young
woman that we're so proud of today, and we'll never be the same again....**

**Love forever,
Dad, Mom & Leslie**

■ Reverend B. J. Tatum,
Senior Pastor

Dear Danielle:

God desires you to "prosper and have good success" (Joshua 1:8). There are no secrets of success and happiness.

SUCCESS is doing the things you know you should do. Success is discovering your best talents, skills and abilities. It is having the courage to meet failure without being defeated. Success is accepting the challenge of the difficult.

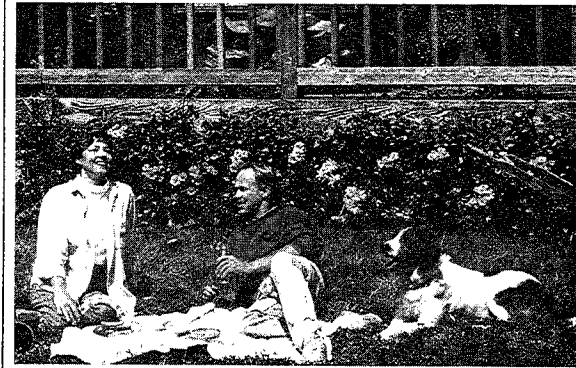

HAPPINESS is an inside job. Be determined to be cheerful and happy in whatever situation you may be. Don't let circumstances dictate your disposition, development, or destination. It must be conceded they will either defeat you or you will overcome them. your strength and determination, not their impact, will decide which.

SUCCESS AND HAPPINESS are not dependent on circumstances but upon one's determination and disposition. Don't wait for circumstances to give you a break. You were not created to be a puppet dangling on the strings of circumstances. You have a free will and can affect circumstances.

God has blessed you to have creative powers. Whatever you do, don't rush by today to get to tomorrow! Plan your schedule, prioritize your plans, and commit your schedule to the Lord. Establish a good motivational pattern, and always remember that persistence and determination are omnipotent.

Angela life is about new beginnings. When you were born you were a wonderful, beautiful gift from God. We all know God don't make no junk. You are as beautiful and wonderful today as you were on that special day in September, 1978. When we are born we all take baby steps until the day we begin to walk then to run. You have learned to do them all well and at a very good pace. Now you are at a new plato, a new beginining where you will begin yet another cycle of life. Angela, you have an inner light that shines that will act as your guiding light. Continue your walk, in the same path that you have chosen and never stray to far, and with God's will and your intelligence you will always find your way back. As your family we love you for who you are, and not what you are. Although, we are proud of the person you have become. You are a strong, intelligent, witty, soft, and a beautiful young women, which are just some of the ingredients needed to have a successful life. Just remember! with each cycle of your life, we loved you yesterday, we love you today, and we'll love you always.

EDUCATION IS YOUR PASSPORT TO THE FUTURE
FOR TOMORROW BELONGS TO THE PEOPLE
WHO PREPARE FOR IT TODAY.
(MALCOLM X)

EDUCATION IS NOT LIMITED TO THE CLASSROOM. IT
TAKES PLACE IN THE KITCHEN, ON THE CORNER, AS YOU RIDE
OR WALK TO ANY DESTINATION, WHEN YOU LISTEN TO SPEAK
TO OTHERS AND IN THE SILENCE OF YOUR BEDROOM.
EDUCATION SPRINGS FORTH FROM BOOKS, SONGS, CHILDREN,
ELDERS, WOMEN, MEN. IT RISES FROM VICTORY, TRAGEDY,
JOY, AND SUFFERING. EDUCATION DOES NOT TAKE PLACE
WHEN YOU LEARN SOMETHING YOU DID NOT KNOW BEFORE.
EDUCATION IS YOUR ABILITY TO USE WHAT YOU HAVE
LEARNED TO BE BETTER TODAY THAN YOU WERE YESTERDAY.
DO MATTER HOW MUCH YOU KNOW OR HOW YOU LEARN IT,
THE ULTIMATE GOAL OF EDUCATION IS TO GIVE "YOU"
GREATER INSIGHT TO "YOURSELF".

DON'T EVER ...

Don't ever try to understand everything.
Some things will just never make sense.
Don't ever be reluctant to show your feelings
When you're happy, give into it!
When you're not, live with it.

Don't ever be afraid to try to make things
better ---

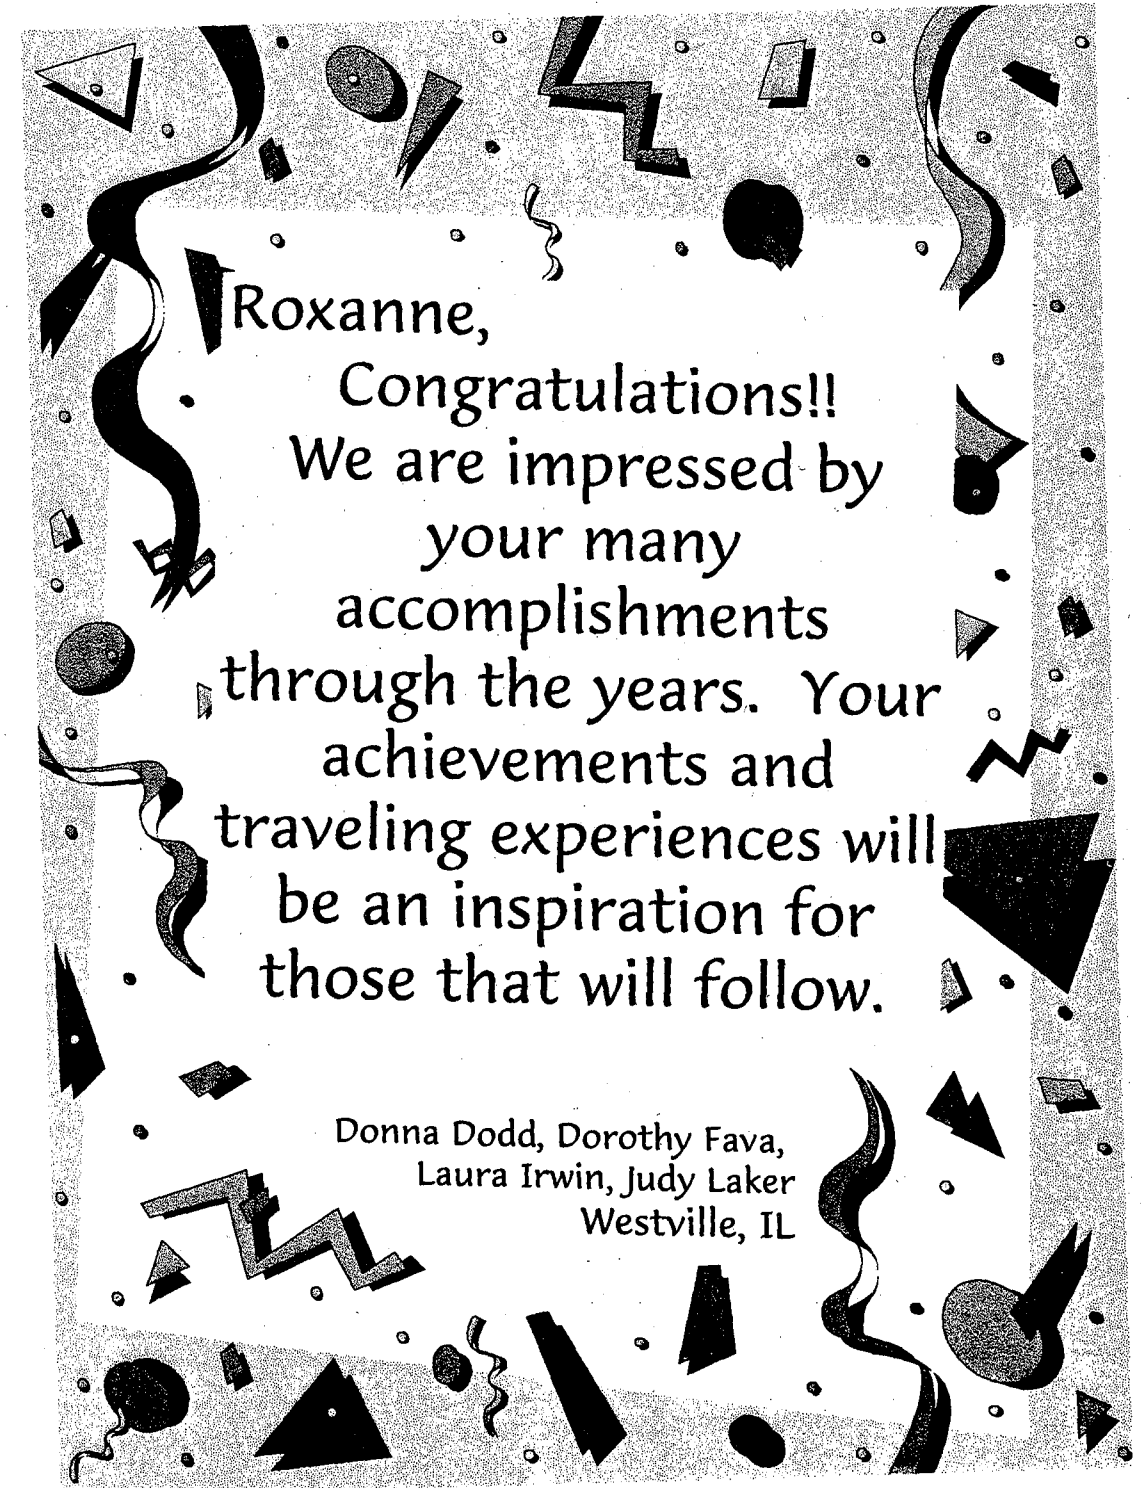

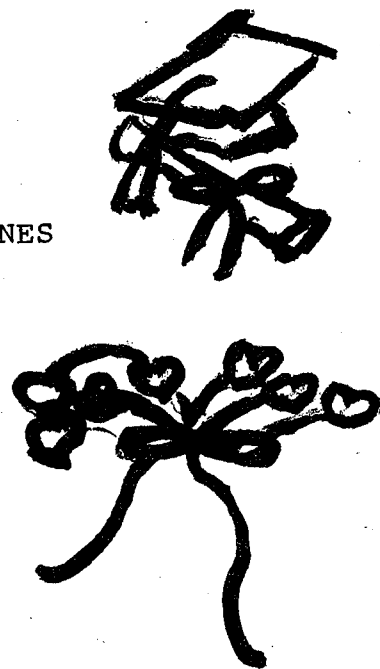

You might be surprised at the results
Don't ever take the weight of the world
on your shoulders
Don't ever feel threatened by the future -
Take life one day at a time.
Don't ever feel guilty about the past -
What's done is done.
Learn from any mistakes you might have
made.

Don't ever feel that you are alone -
There is always somebody there for you to
reach out to.

Don't ever forget that you can achieve so many
of the things that you can imagine ---
imagine that!
It's not as hard as it seems.

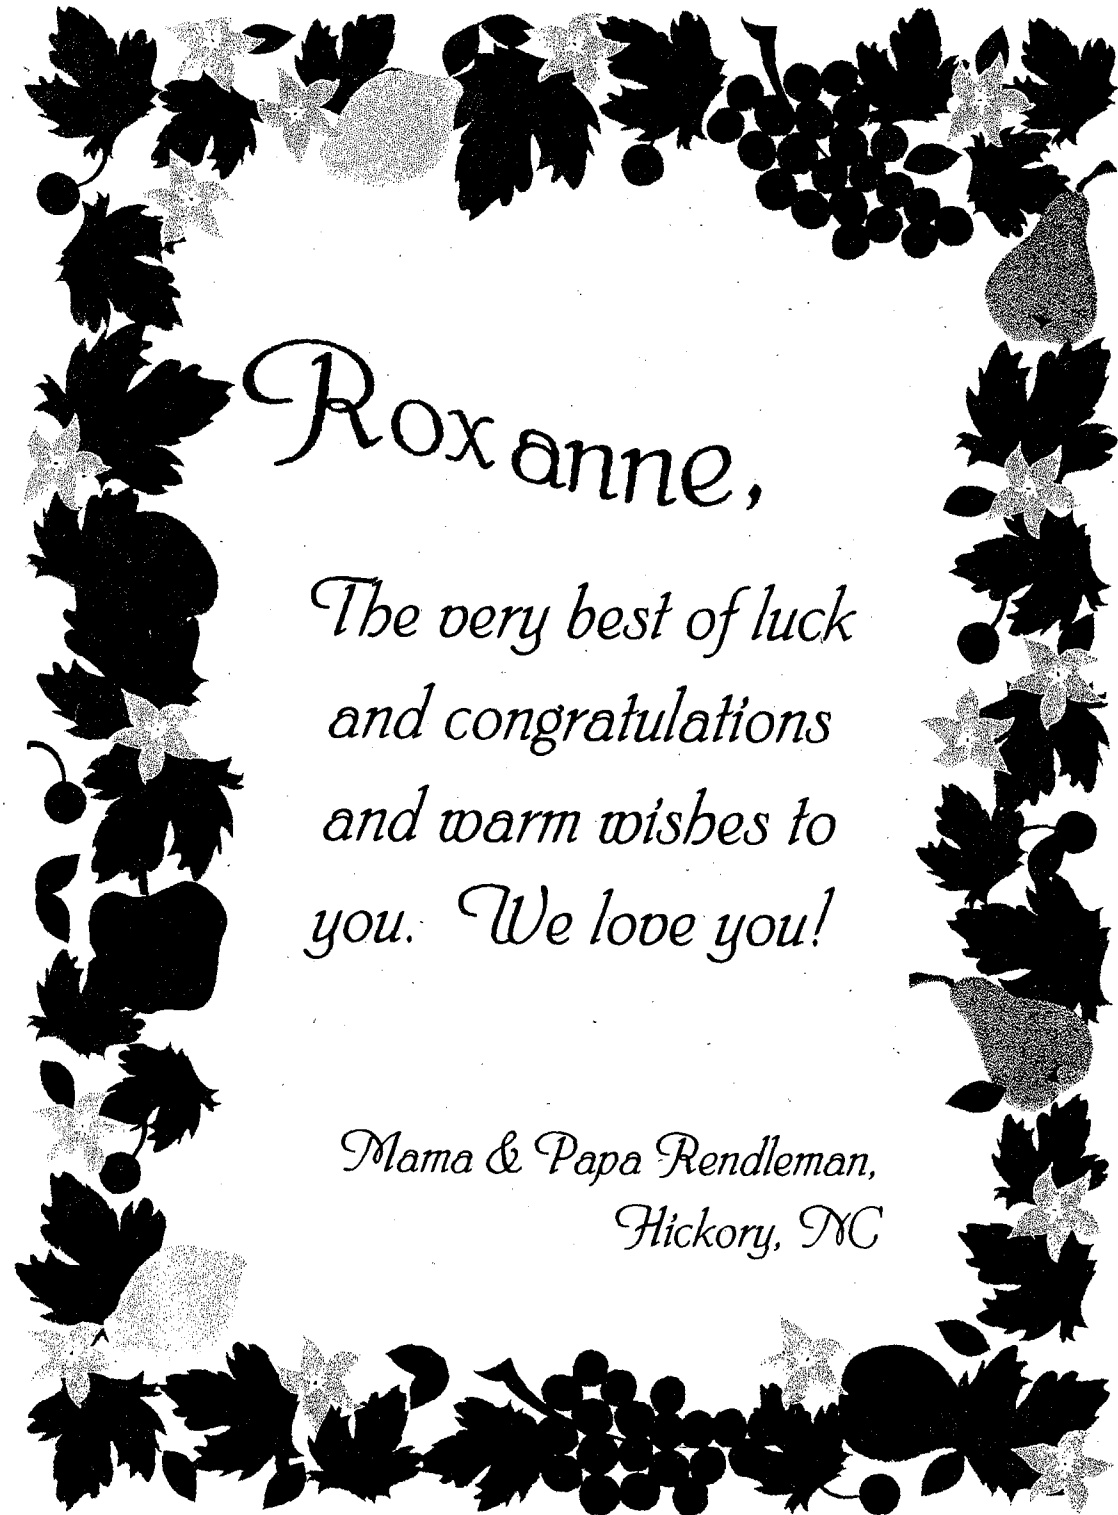

Don't ever stop loving
Don't ever stop believing
Don't ever stop dreaming your dreams.

Dear Roxanne:

In the School of Life there are many electives, so careful thought should be given to making a proper and profitable selection. The world offers a variety of good choices, but God's Word contains not only what is good for us, but also what is best for us.

God will take you as high as He wants you to go; He will make you whatever He wants you to be; and He will lift you above your own horizon to fulfill His true vision for you. Follow Him.

■ Reverend B.J. Tatum,
Senior Pastor

Dear Tia:

This is only the beginning of your journey through life. Always remember that God will guide you completely, continuously, and conditionally. He will give guidance in every area of life.

In the area of the **ACADEMIC**, always extend yourself. Exercise your mind. Memorize challenging passages. The mind, like a muscle, must be flexed. It becomes trustworthy when trusted and dependable when depended upon. Push back the frontiers of your knowledge all the days of your life.

In the area of **APPEARANCE**, do the best you can with what you have. You are accountable for how you appear. Respond responsibly and rationally to the powers of logic and the commands of the Bible.

In the area of **ATTITUDE**, be a good steward. An attitude is more important than a fact. A fact cannot be changed; an attitude can. Maintain a good attitude at all times, at all cost. What you think about what happens to you affects what happens to you. You are what you think. You think what you are. "[You] can do all things through Christ Who strengthens [you]" (Philippians 4:13).

Be faithful! Consistency is a refreshing gem, and a persistent pursuit of purpose is profitable.

Tia -

As you go out into the world, take the Lord with you.
Stand on the word of God and you won't fall into error.

And always remember,

When the trials of this life make you weary
And your troubles seem too much to bear,
there's a wonderful solace and comfort
In the silent communion of prayer.

When upon life's billows you are tempest-tossed,
when you are discouraged, thinking all is lost,
County your many blessings - name them one by one,
It will surprise you what the Lord has done!

May God Continue to Bless You,

Our Darling, Ion, you have been a source of Pride for us. We've admired your drive, self-motivation, and determination. We've watched you grow from a quiet, shy, somewhat withdrawn, little girl to a self-assured young lady. As you venture out into the world please remember the most important and vital relationship you will ever have is with GOD. Take time to develop it well and never underestimate its power. We wish you continued success in all your future interests. We love you forever.

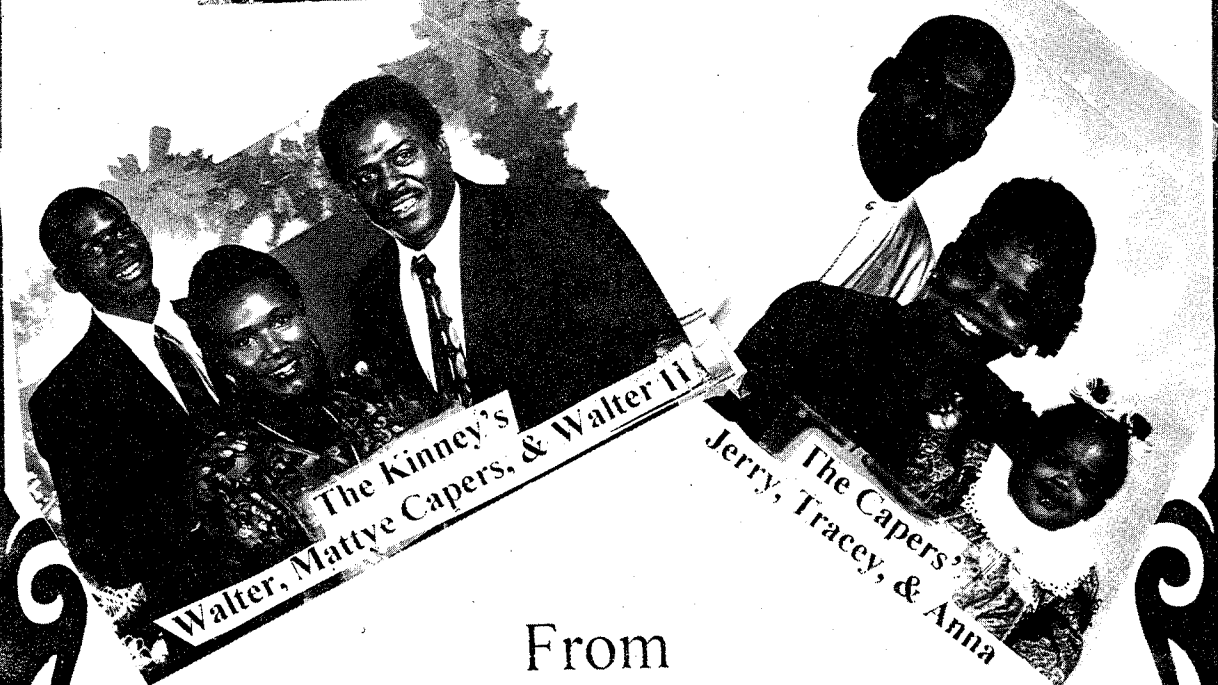

Your parents,
Aaron & Sheila Capers

*... As far as possible without surrender
Be on good terms with all persons
Speak your truth quietly and clearly:
And listen to others. Even the Dull and Ignorant:
They too have their story ...
If you compare yourself with others
You may become VAIN and BITTER:
For always there will be
GREATER and LESSER PERSONS than yourself.
... Therefore be at peace with GOD
Whatever you conceive Him to Be ...
BE CAREFUL. STRIVE TO BE HAPPY.*

To our beautiful and talented Erika

Early one cold morning in February
you came into this world
Our hearts nearly burst with joy
as we held you, our precious little girl

We delighted in every milestone
first smile, first tooth, first step
We promised to love and guide you
with our Lord and Savior's help

Your love for learning was great
you'd read far into the night
Even when the house was dark and still
you'd read by your little flashlight

The years have passed too quickly
in part, for those days we long
But, we rejoice in what you've become
A young woman, so talented and strong
Erika, you've truly been a gift to us
a wonderful, priceless treasure
Thank you for the joy of raising you
it's been a blessing, an honor, a pleasure

We love you with all our hearts,
Mom & Dad

IN MEMORY OF Ms. MAXINE CATCHINGS

(DECEMBER 24, 1937 - APRIL 30, 1994)

THIS MOMENT

You may never see tomorrow; there's no written guarantee and things that happened yesterday belong to history. You can not predict the future, and I can not change the past. You have just the present moment; you must treat it as your last. You must exercise compassion, help the fallen to their feet be a friend unto the friendless, make an empty life complete. Kind words you fail to say this day may ever be unsaid, for you know not how short may be their path that lies ahead. You may never see tomorrow; but this moment is your own, it's yours to use or cast aside; the choice is yours; alone. You have just his precious moment in the sunlight of today. Where the dawning of tomorrow meets the dusk of yesterday.

Dear Precious (Terrica T. Miller):

It is not always easy being an eagle, but once you spread your wings and connect with the Spirit you can soar. There is nothing that you and God cannot handle or accomplish. Therefore, you will never walk alone because the Angels and the Ancestors are watching over you. Aunt Vee and your family will also, be there. Before, I moved to Chicago your great-grandmother Valerie Miller, said these words to me "Whenever you are tired and getting just to busy, Baby, you need to get somewhere and get still" and "Always stay Sweet". Aunt Vee's translation rest your mind, pray and keep your beautiful personality. Today, I still live by those words of wisdom and I am passing these same words on to you; Pray, Get somewhere and get still and stay sweet.

CONGRATULATIONS AND I AM VERY PROUD OF YOU!

Many, Many Blessings and with Love,

Aunt Vee

WE CAN DO ALL THINGS THROUGH CHRIST

Phillipian 4:13

LOVE, The Lomax Family

Dear Terrica,

I've watched you grow into a well mannered, beautiful intelligent young woman who is focused on positive goals for her future. Terrica, as you travel down the highway of life, remember to always be true to yourself. What's to become of you? "Know thyself," advised Socrates ... know what you can and what you cannot do. And know what you are potentially capable of doing.

Measure your strengths and weakness. What are your aims? Your purposes? Are you prepared? What can you learn or do to be prepared for the next task? The next Job?

Remember, nothing in life is to be feared ... is only to be understood

In conclusion, strive for the best and know that life is not a problem to solve but a mystery to experience —

Fondly,
Elaine Lyles

Terrica always keep in mind the seven take time steps:

Take time to work - it is the source of power.

Take time to pray - it is the secret of perpetual youth.

Take time to read - it is the foundation of wisdom.

Take time to be friendly - it is the road to happiness.

Take time to love and be loved - it is a God-given privilege.

Take time to look around the day - it is too short to be selfish.

Take time to laugh - it is the music of the soul.

Terrica strive for excellence and reach your goals.

Take time to applaud the great person that you really are, the person that God made to be.

Talisha,

*You are my best friend my sister and my daughter.
You are a gift from God sharing the world with
laughter. You are wise, full of knowledge, full of
dreams and hope. You have lived a life of happiness,
joy, and pain. You have watched the world change
day by day. You have experienced things and have
grown with your experience. I am proud to be your
mother, but more proud for you to be my daughter.*

*I Love You,
Your Mother*

To Our Granddaughter Talish

If any of you lack wisdom, let him ask of God,
that giveth to all men liberally, and upbraideth not;
and it shall be given him.

But let him ask in faith, nothing wavering.
For he that wavereth is like a wave of the sea, driven with the
wind and tossed.

James 1:5, 6

Dear Stacy,

It has been a most joyous and blessed experience in watching you grow from a spunky little girl into a beautiful and intellectual young woman. As your life, like that of a rose, continues to blossom from season to season be ever mindful to continue to keep God in your life. The road ahead of you is not an easy one, but you continue to keep God in your life. The road ahead of you is not an easy one, but if you continue to fight the good fight, We are sure that you will find that right will remain on your side. Further your education, enrich your life and practice your Christianity, that you might enrich the lives of others. If ever you should lose sight of this look no further than Matthew 5:16, where it says, "Let your light so shine that man might see your good works, that he might praise your father, God who is in Heaven." We love you and will continue to pray for you, now like the eagle, spread your wings and take flight.

THE URBAN LEAGUE
OF CHAMPAIGN COUNTY
Department of Education

DEBUTANTES IT'S YOUR TIME

It is your time to shine on a day, an evening, that has been developed just for you. This is your day to say to the world, I am here, I am proud, I am an African American woman. A woman who's legacy runs as long and strong as the mighty Nile River. A woman who's beauty is as radiant and bright as a California sunrise during a morning yawn. A woman who's intelligence is as diverse as the African American experience.

Yes, today is your day, Black woman, and today, The Urban League of Champaign County supports your effort of contribution as it specifically relates to serving the community. It is our greatest wish, that you continue to recognize the importance of service and know that responsibility is everyone's responsibility, and necessary to continue to forward the agenda of the African American community for the betterment of the whole.

It is your day to shine, so shine, sista!

It's the action, not the fruit of the action, that's important. You have to do the right thing. It may not be in your power, may not be in your time, that there'll be any fruit. But that doesn't mean you stop doing the right thing. You may never know what results come from your action. But do nothing, there will be no result.

Be Surprised

*Wake to Jesus, every morning
To enjoy each new born day
And to know the joys and blessings
He bestows on Christian ways;
You will find the day is brighter
And the things you do and see
Will be of truer value
Than they ever used to be*

*Be surprised by gifts of glory
You have never seen before
And by majesties and wonders
You have walked by and ignored.*

*It will be a day of marvels
With Lord Jesus in your heart
For His love makes love a virtue
To enjoy and to impart.*
