URBANA FREE LIBRARY

In Back row: Susan Tulvihull, Suzy Cleland.

The many hours of practice this summer were well rewarded by a week's stay at a camp in Indiana. The end result proved itself to be all worthwhile. The cheerleaders together with the school orchestra, which resulted in Cardinal going at the top of the list at the Capitol Conference (1966) during the 1966-67 season. The increased number of peppy spectators at the home games.

## PEP CLUB SPARKS CHARGER SPIRIT

The members of Pep Club worked hard to stir up the eagerness of the Charger followers. Fan buses, filled to the doors, went to every out-of-town football game. The chili supper involved much organization and work, but as always, it helped to make Homecoming weekend a traditional success. With the onset of the energy crisis fan buses were no longer available, but Pep Club continued to support school sports.

Teachers enjoy the chili supper before the homecoming game.

Diane Ditzler and Paula Albrecht enlist Scott Engel to help them keep score at a wrestling meet.

The Half-Nelsons, now in their second year at Centennial, gained much popularity this year, which is shown by the near tripling of its membership. The girls started the year by changing their name from Grapplerettes to Half-Nelsons, honoring both a move and one of the coaches. Their purpose was to keep the books and time for the Junior Varsity meets, and to serve as scorekeepers for both the Varsity and the Junior Varsity.

HALF-NELSON'S — *Front row:* Janet Valdez, Lisa Burgess, Kathy Cramer, Carol Evans, Amy Casteel, Cinda O'Neill, pres., Cathy Merrill, treas., Kathy Wahl, sec. *Second row:* Coach Nelson, Chris Bryant, Deanna Sukkar, Debbie Willenbring, Diane Alexander, Sally Twardock, Paula Albrecht, Joni Dejonghe, Deanna Lancaster. *Not pictured:* Diane Ditzler, Carol Luckmann, Janey Chow.

One way to show your interest toward something is to give your time and effort in supporting it. The girls in Centennial Guard displayed their unceasing loyalty while closely watching the actions of the swimmers. Their cooperation in timing and scoring provided much needed help, all of which was much appreciated by the coaches and team.

"HELP!! What do I say next?"

## LEARNING LEADERSHIP LORE

The Junior Leader program is not just any ordinary P.E. class. Approximately twenty-one junior girls meet during second hour to learn more than just skills. Besides participating in various sports, the leaders learned how the P.E. department is run and how to help teachers during classes. Good leadership qualities were also developed which can benefit each girl in any area of responsibility.

In the Senior Leader program, the girls applied the talents and knowledge gained the previous year. Now they were ready to tackle the jobs and responsibilities that accompany being a senior leader. Taking attendance, demonstrating skills and sometimes actually getting to teach the classes were a few of their duties. This is a good beginning for a career in physical education. These girls were a big help to the P.E. teachers and the rewards from such a program will accompany them in their years to come.

**SENIOR LEADERS** — *Front row:* Cindy Letot, Cinda O'Neill, Missy Welch. *Second row:* Kathie Justus, Linda Hansen, Jan Thom. *Third row:* Diane Lewis, Suzy Cleland, Susan Shapland, Kathy Wahl, Mary Doyle, Robin Lavender, Debbie McKinney, Marla Woody. *Back row:* Cathy Smith, Terri Jones.

## SMALL GROUPS PROVIDE BIG SERVICES

Girls' Athletic Association created opportunities for girls to participate in a variety of sports and activities. Bowling, skating, gymnastics, tumbling, and golf were just a few of the offerings the club had sponsored. Volleyball and badminton were co-ed this year. The highlight was the ski trip taken in January. The officers also coordinated open gym and a year end picnic.

ELECTION BOARD — *Front row:* Dana Shelley, Angela Cannon, Lisa Hopkins, Karen Hite. *Second row:* Debbie Penzell, Cathy Crow, Cindy Kortkamp, Judy Armstrong, Mrs. Lindsey. *Back row:* Theresa Fileccia, Mr. Lewis, Robin Grandell, Kathie Justus, Mrs. Casey, Mrs. Sinder.

An important division of the student government is Election Board. Members and teachers prepared, held, and tallied approximately fifteen elections throughout the year. It took perseverance and patience to get this task done so that everyone was pleased. Girls carrying yellow manila envelopes have become a familiar sight during third hour this year.

## WORKING TOGETHER TO SERVE OTHERS IS THE DESIRED GOAL

Seniors Girls' Council consisted of 31 girls selected by the teachers to serve the school. The girls were available throughout the year to help the administration and faculty with any special jobs that needed to be done. They were asked to perform a variety of tasks such as ushering and handing out programs for the football games, painting cans for cigarettes, helping with identification pictures, and planning the Homecoming Skit. The largest undertaking of the club was the Senior Girls' Slumber Party at the YMCA which was great fun for everyone involved. Beyond all service projects, the club still had time for its own activities, two of which were a formal progressive dinner party and a holiday Open House for the past three years' Council members.

# GOVERNMENT BY THE PEOPLE

This year Student Council reduced its membership to thirty-eight in order to remain an efficient and enjoyable group. Although there was a feeling that students are generally apathetic, Student Council did a commendable job of maintaining the true Charger spirit. Homecoming weekend, the vice-versa dance and sophomore orientation were three of its major events. Equally important were the numerous pep assemblies which had to be organized. As a result of the many school activities which members were involved in, they gained the respect of administrators, teachers, and fellow students.

When an individual is proud of who he is and wants to show his worth to others, he joins with other people like himself and sets out to accomplish something. The members of Afro-American Club achieved quite a few things this year. Even though the annual Christmas Dance and car drive were snowed out, their eagerness to succeed carried through to the Martin Luther King Scholarship Drive, and the Friendship Dance. These all went toward the club's receiving recognition and respect for their efforts.

## LEARNING NOW TO LEAD LATER

Members from Centennial, Central and Urbana band together to represent our area in the National Organization of F.F.A. This year, the members worked hard clearing 17 acres north of school to bring in \$2,800. With this money they participated in many community service projects, held a banquet, and fixed their tractor. This year our members took part in many contests and sent their officers to the National Convention in Kansas City.

Nineteen girls made up the membership of the Centennial chapter of F.H.A. Tom Watt kits, which included notions to sell, were the main source of income for the club along with some popcorn ball and bake sales. For a change, monthly meetings were switched to evenings. These meetings consisted of a mixture of pleasure and business. Pleasure included cooking a small meal, listening to records, or discussing items of importance in the Home Economics field. The chapter also sponsored a small party for pre-schoolers and themselves under the leadership of Mrs. Marilyn Sinder and Mrs. Ann Keim.

HEALTH OCCUPATIONS — *Front row:* Everett Knop, Lynn Sears, Linda Kuykendall, Linda Dunn. *Back row:* Mrs. Eichelberger, Jeffrey Briggs, Marty Weldon, Paula Schmiedeskamp, Nancy Ewing, Amy Casteel, Diane Ditzler, Ann Petry.

Members of the Health Occupations Club learned basic patient care and child guidance at school. Work experience and more skills were gained at training stations such as day care centers, nursing homes, and hospitals. Members also volunteered their abilities for individuals and organizations. Through learning and serving they gained responsibility and built character.

One of the most active clubs at Centennial was the Secretarial Club. Raising money to finance a field-trip to visit large businesses in Chicago was their biggest effort. They also invited informed speakers to acquaint them with office procedures. Local field-trips were planned to reinforce the new knowledge they had gained.

## VOLUNTEERS PRODUCE ACTION

Although Student Coalition was one of the smallest organizations this year, they accomplished a great deal. Members included anyone who was willing to work. Organizing the Walk for Development and the May Event took lots of hours of thought and preparation. The result was success, of course.

## MEET THE PRESS

Editor Amy Rath gets in on all the latest scoops.

Producing a newspaper is a never ending process of planning, writing, editing, and meeting deadlines while trying to maintain perspective on the events happening at Centennial. Working long hours to overcome the obstacles of bad weather, technical problems, and slow news weeks, the *Centinal* staff produced a series of informative and up-to-date, bi-weekly newspapers. Aided by the reporting of the journalism classes, they attempted to acquaint the student body with the various aspects of life at Centennial as well as provide informative articles on relevant topics.

# VERBAL VIRTUOSOS

Speech Club consists of students interested in learning how to speak in front of a large group of people and improve their ability to communicate. The members competed in meets with other high schools and could advance to district, sectional and even state competition. Learning how to get along with others was an important aspect of this organization.

Jane Foley uses her powers of persuasion.

## KNOWLEDGE LEADS TO WISDOM

"Wisdom is better than jewels,  
and all that one may  
desire cannot compare  
with her."

Through the tutoring program, Honor Society members helped others with their class work and therefore enhanced the idea of learning. In addition, they raised money to pay for the gold chords worn at graduation. Even though homework sometimes mounted up, there was time for fun and picnics.

John Swain and Laura Aull seem to have different methods of studying.

The requirements of these two honorary organizations are much the same. Spanish Honor Society requires an A in the subject, a 3.5 overall average, and participation in the initiation which requires the memorization and recitation of a poem. French Honor Society requires an A in the subject, a B average in all other classes, and at least one semester of French at Centennial. Becoming proficient in another language is quite an achievement and paves the road to better communication with foreigners.

## YEARBOOK STAFF CAPTURES THE UNFORGETTABLE MOMENTS

Co-editors Cinda C layouts.

YEARBOOK STAFF editor; Jane Foley, c editor; Suzanne Ho pictured; Cheri Rot Merrill, Cinda O'Ne

DRENNAN LIBRARY

**GETTABLE**

Co-editors Cinda O'Neill and Cathy Merrill examine possible layouts.

It seemed as though the Centurian staff had been placed in a gusty headwind from the very beginning of its endeavors to put together the yearbook. Plagued by lost pictures, a leaky roof, and snow days, the staff had to struggle continuously to make their deadlines within some reasonable facsimile of the due date. United effort and support, however, squelched these torrential outbursts. This support was demonstrated by rush trips to catch snaps of this one or that, typing notices, making and remaking schedules, teachers' understanding of picture and work times, Miss Engelhaupt's availability to answer all questions at all times, our companies' representatives' cooperation, long hours of pondering over the "right" layout, and even the occasional sprinkling of an all-night workshop.

Business manager, Mr. Grusy, discusses a financial problem with Cathy Merrill.

Sally Twardock wonders where to begin with such a mess.

**YEARBOOK STAFF** — *Front row:* Kathy Wahl, sports editor; Susan Smith, asst. organizations editor; Jane Foley, copy editor; Sally Twardock, organizations editor; Dana Shelley, asst. senior editor; Suzanne Hoffman, underclass editor; Janey Chow, Kathy Justus, senior class editor. *Not pictured:* Cheri Robbins, advertising editor; Jeff Pence, Dave Zaring, photographers; Cathy Merrill, Cinda O'Neill, co-editors.

UP AND AT 'EM!
