*Laura Have a great summer and don't use too much charm to get all the guys. Have fun over the summer — Paul*

Coon.  
 High!  
 I don't know  
 ya too well, but  
 I know ya good enough  
 to know you're totally  
 insane!! So stay that way  
 cause there aint too many  
 of us left. (Yp pigo keep catchin' us)  
 keep high + cool.  
 Wink

If the hands of time were  
hands that I could hold,

I'd keep them warm  
and in my hands they'd  
not turn cold.

Hand in hand we'd  
choose the moments that  
should last,

the lovely moments that  
— should have no future —  
and no past

Summer,  
it was fun  
having you  
in English. I hope  
we'll have a class  
together next year.  
Stay sweet.  
Love & friendship always  
Tracy Luetke

The summer from the  
top of a swing.

The comfort in the  
sound of a lullaby

The innocence of leaves  
in the spring

But, most of all the  
moment when love  
first touched me!

All the happy days  
would never learn to fly,

Until the hands of  
time would choose  
to wave "good-bye."

## Discipline Is Caring

Pride and spirit are just two words used to express Centennial students' enthusiasm. Mr. Davis, our principal, was greatly impressed with the student involvement this year. Mr. Davis, Mr. Griggs, assistant principal, and our two deans, Mrs. Storch and Mr. Wiseman, have been successful in keeping our new four year high school system going. Increased attendance has made more work for all of the administration. To make sure you are in class where you should be, Mrs. Storch and Mr. Wiseman have been efficient. Mr. Griggs keeps the school activities calendar up to date and Mr. Davis sees to the successful overall operation. Our thanks should be given to our administration for all of their support and enthusiasm.

# Girls Tennis Getting Into The Swing Of Things

Mrs. Yates anticipation and dedication is the team's greatest asset.

The Girls' tennis team had a challenging season this year. Coach Yates was very pleased with the girls' hard work and determination. Barb Baries was seeded #1 all season and was named the most Valuable Player. Coach Yates will lose only two seniors, Mary Karich and Sharon Renner to graduation, so the team will have a good foundation on which to build on next year.

After losing 6 lettermen, the Striders lacked overall depth, in which to begin the season, Coach Fairchild was very pleased with the team's improvement throughout the season. Many of the Striders knocked minutes off their times. Coach Fairchild is looking forward to next year, when 14 of the Striders will be back, and he will only lose two to graduation.

# Centennial Chargers Slaughter Opponents

The 1978 Varsity Football team proved to be truly exciting. With such talent on this year's team the long, hard August double-sessions paid off.

"Improve week by week" as Coach Davis said many a times during the season is exactly what the team did. As the tradition has been all through the years at Centennial, Coach Davis and his coaching staff did an excellent job in coaching the talent the guys had this year.

With a 7-2 record of which Centennial is very proud and just one touchdown away from the play-offs, the Chargers produced seven all-conference players; Mark Hartman, the only Charger named both offense and defense, Brian Vizek, John Clark, Tim Millage, Jim Miller and Mike Carroll, who was only 5 yds. away from the 1000 yard mark in rushing, which placed him 1st in the school's rushing history for a junior. Jim Button also made the all-conference second team.

Placing on the All-State team is a great honor. Mike Carroll was named on the second team and Mark Hartman, Jim Miller, and Tim Millage were named Honorable Mention. Congratulations guys; Centennial is very proud of you!

Coach Macek knows he can trust Mark Hartman to carry out a special assignment.

Tony Marcott takes a moment to catch his breath before returning to the 'grid iron'!

"Leaders of the pack!"

A pre-game huddle builds enthusiasm, enough to last throughout the game.

Coach Davis receives a standing ovation as he accepts the microphone.

Teammates Dan Byers and Terry Williams ask the help of their mothers to teach a new disco dance to the assembly crowd.

When Terry Williams has the ball, he KNOWS what to do with it.

The first year at being the Varsity Basketball coach is full of hard work and many hours. Coach Carrodine put in these hours and hard work getting his team in shape.

Nicknaming his team "The Pressing Chargers," Coach Carrodine's strategy for the season was the full court press. With the full court press, there was never a dull moment. This strategy kept the opponents off balance and never let them take a breather.

The long hours of practice and running paid off for the '78-'79 "Pressing Chargers." Centennial is proud of these athletes and wishes them luck in future seasons.

The Student Council begins the year at the very beginning. They are in charge of helping registration at the beginning of the fall semester. The Spirit Event is their next effort and beat Central Week comes right along after. The car bash was held in the courtyard as well as the addition of a dunking machine to raise money. Homecoming week involves much of the Council's time. Preparation of the assembly and dance are worked on diligently and proved to be successful. The Halloween movie, "The Birds," was next on the agenda. A winter fest was planned as well as the Vice-Versa Dance, conservation week, and May Event. This group of involved students should be recognized as Centennial's school leaders and as students who show great pride in their efforts to keep Centennial's honor high. Other class groups and clubs seek the support of the Student Council and the Council helps whenever possible.

Many hours of practice and work go into being a Varsity Cheerleader. The Cheerleaders do many other things than just cheering at games. Many hours are put into making signs for the cafeteria, decorations for the teams' lockers and just trying to keep up school spirit. ## Preparing For

### Sophomores

Being underdog to the Varsity Cheerleaders can be a bit challenging at times. This year's sophomores overcame this with their great enthusiasm. Mrs. Johnson and her girls should be pleased with the contribution they made to Centennial.

## Band '78-'79:

Long hours of practice and strict dedication brought forth new, unique, and well-performed halftimes and concerts of exceptional quality.

At homecoming the band brought us fresh white mums to help raise money for their spring tour, taken each year.

The many hours of practice paid off for the 1978-79 Marching Chargers.

December held many special trips for the choirs. The Champaign Country Club was the setting for one of their many performances. A Christmas tree dedication at West Side Park and a special T.V. taping at Channel 15 studios as well as the Christmas Concert kept all the members busy. Plans made for the Spring Concert and Tour finished a productive year.

Deadlines and more deadlines. The Centinal Staff members learned quickly that keeping up on the news of Centennial High was not as easy as it may have seemed.

More problems than seemed possible sprang up through the year, each to be met face to face by a dedicated staff.

The object behind all their work is to keep us students up on all the news at our high school.

During the spring of '79 new members were initiated formally and informally. The year ended with the annual picnic.

Mr. Lehman and the N.H.S. members kept themselves busy this year, but had a good time doing it.

# Learning Leadership

## Sr. Leaders

As Jr. Leaders, rules of each athletic game are learned, tests are given and many skills tests and drills are required. The Jr. Leaders are future Sr. Leaders of Centennial. The Jr. Leaders learn how to referee games, take attendance and leadership qualities. Our Sr. Leaders of Centennial are the girls in the uniform and the whistle who act as the coaches, righthand people. Responsibilities, and leadership are the main focuses of the Jr. and Sr. Leaders program.

### Interserve

Interserve, formerly known as Senior Girls Council, is a service organization. The girls served Centennial beginning with the orientation of the incoming freshmen to the very last moments of graduation. Interserve is not always work; the girls began the year with their annual Progressive Dinner, and this year they got together with their fellow organization, Interact, for many social events.

Senior Council is new at Centennial. With the addition of 30 guys to the Senior Girls' Council, the girls changed their name and became Inter-serve and the guys took the name Interact. The Senior Council is composed of 30 guys and 28 girls who serve the school as well as the community with the help of their sponsors, Mr. Romero and Mrs. Palmer.

## German Honor

The German Club has been high in spirit this year. A volleyball game against French Club was held. A progressive dinner was enjoyed by the Club and was served in the school's Home Economics room. The German Club purchased a Christmas tree and decorated it for the holiday season. Guest speakers and field trips were also part of the club's activities for the year.

Trips to the campuses of Illinois State University and Eastern Illinois University were also settings for Speech competitions. The Speech Club participated in a student congress January 19-20 at the University of Illinois and completed the year with the District contest in February held at Central High School.

## Election Board

The Election Board is perhaps the most overlooked job in our school. The members not only pass out and collect the ballots, they count them also. If all students were present on an election day there would be over 1200 ballots.

Homecoming week is an inspiration to all students for participation in Charger spirit. The Pep Club has that responsibility all through the year. The annual chili supper and sponsoring the fan buses for away games is only part of their activities. The Pep Club started an information bulletin board, located outside the athletic office; the bulletin board is a helpful reminder of upcoming sports events and school activities. Attendance at the Pep Club meetings is high and their presence is known at all school games.

The Thespians seem to be in deep thought.

As the dramatic foundation of Centennial, the Thespians are involved from the very beginning of school to the very end. The fall play, Spectrum, and the musical are the three main productions which occupy most of their time and effort. As an International society, Thespians are recognized as a high quality performing organization.

## Half Nelsons

As aides to the wrestling coaches, the Half Nelsons have many duties. Scoring, timing and general information runners, these girls are a crucial part of the meets. The Half Nelsons, in the years to come, hope to get an earlier start in the year to enable them to participate in some fund raising projects. But as a whole, the Half Nelsons are the extra help needed to produce successful wrestling meets.

# Conservation Club

Nature hikes and similar kinds of field trips were common practice for conservation club members. One such "Field trip" was to Devil's Lake, Wisconsin, for cross country skiing. The Conservation Club's endangered species for the year was the wolf. The club had T-shirts made up with a wolf on the front.

With the help of our Student Council the Conservation Club sponsored Earth Week, and the highlight of the year the all-school paper-drive which lasted the second semester.

Homecoming activities were exciting and each student was involved with the spirit of the upcoming game. The Annual National Honor Society Bonfire was held the night preceding the game. The rock group of Centennial's own students "Sphinx" was the highlight of the evening.

The day of Homecoming, mums were distributed by the band members as a way for the student population to send Homecoming greetings to their friends and acquaintances. The Student Council held an intense assembly, past Homecoming kings of Centennial and past cheerleaders came to help keep the spirit of Homecoming high. The candidates for Homecoming queen were presented with their escorts, and the Senior Girls Council (Interserve) performed a skit.

After school, the floats were judged in their respective class competition and the Seniors proudly took first place. Decorated cars, bikes and floats all took their positions, and the Homecoming parade was underway and a large success.

The Pep Club Chili Supper was held after the Varsity Show and then the game we all had anticipated was nearing. The Chargers were renowned in their performance on the field and the game was a spirited success. At halftime DeDe Fileccia was crowned as Homecoming Queen by Melonie Ignasiak, '77-'78 queen.

The Homecoming Dance ended the week of activities and it too was a success. Mark Hartman reigned as our Homecoming King. And when completed, the excitement of the week lingered on to be remembered by all those participating in Homecoming activities.

The Thanksgiving assembly is not only to recognize the football players and basketball stars, but tradition, the crowning of Miss Jinglebells is held during this assembly. Denise and her court welcomed Santa to Country Fair Mall and assisted him through the holiday season.

## Business Associates

All teachers in the Business Department of Centennial are involved directly or indirectly with the sponsoring of the Business Associates Club. Students enrolled in Business courses are eligible to be in the club. Members meet once a month and are often the audience of Business men and women of Champaign and Urbana. Their December project was a Disco Dance, and they hope to raise money through candy sales to plan their annual field trip.

## Soccer Club

With the support of health teacher, Mr. Skizas, intramural sports were started as after school activities. The soccer club began this way. Its popularity grew, and the students at Centennial supported their games. The club played in the fall and hopes of its continuance in the years to come are high.

## Seniors Make It To The Top

As the year draws to a close there are different attitudes taken by seniors. One of happiness, getting away from teachers, homework and finals. But for some it is a feeling of sadness, leaving the place where they have spent three years; separating from friends and looking on to the future.

The long hard hours working on the Homecoming float finally paid off with a first place.

As the seniors flip their tassels at graduation, Centennial will lose a fine group of students and people. Good Luck to the Class of '79.

## Juniors Spark The Chargers Spirit

The class of '80 has been a busy class of students. Their efforts in fund raising projects have been dominate. Money from magazine sales and candy cane sales have all been directed towards the big Junior project — Prom. This year the class of '80 produced an "exciting and different" kind of Prom. We want to recognize the Junior class as a strong group of students who want to get things done.

*Front:* Todd Manley — vice president. *Back:* Mark Neuman — treasurer, Mrs. Davis — sponsor, RoseAnne Forrester — secretary, Nancy Cleland.

The Junior class gets involved in Homecoming with their "Electrocute Eisenhower" float.

# ADVERTISEMENTS

Sauna,  
even tho I thought you were a social when  
I first met you - you're really cool. We have gotten  
to be pretty good friends over this year, and met  
a couple of weird ones (Charles) too. But thanks for  
letting me meet James that was really a  
fantastic thing to do - but as always he went &  
broke my heart and flew to a different town.  
If you go away to New York I'll miss you, cuz we  
all love you back here in little ole hick town and  
wouldn't want anything to happen to ya. We've done  
a lot of CRAZY things together and it was fun.  
Stay sweet. == and cool for the rest of your  
life and may love and happiness always be  
with you because you deserve everything.

Love  
always,  
your big  
sis
