Gamma Upsilon Psi Society

proudly presents . . .

"When You've Been Blessed"

their 31st Annual

Debutante Cotillion

A MESSAGE FROM THE PRESIDENT
OF GAMMA UPSILON PSI SOCIETY . . .

Dear Cotillion Supporter,

Thank you for your continued support of our annual Cotillion ball. For 31 years your financial support has provided scholarships for more than 400 Debutantes. Many former Debutantes have returned to the Champaign-Urbana community with college degrees and are productive members of our community.

Patricia McKinney Lewis

In its infancy thirty years ago, the first Cotillion in the Champaign-Urbana area was sponsored by the men of Phi Beta Sigma Fraternity. In 1974, Kathryn Humphrey and Margaret Smith organized a group of community women to assist the Sigmas with the Cotillion. Since 1977, this organization, Gamma Upsilon Psi Society, has been the sole sponsor of the Cotillion. Gamma Upsilon Psi Society members are proud to have helped start cotillions in Danville, IL and Marietta, GA.

Today, with the grace of God, we continue to promote academic excellence and higher learning. As we continue into the 21st century, we proudly introduce 13 young ladies to society. Please join us as we applaud their accomplishments and congratulate them as they pursue their future endeavors.

I genuinely hope you will enjoy the pageantry we have planned. Gamma members have diligently worked to produce a quality Cotillion. Each year we have experienced an exhilarating, thrilling, dazzling, effervescent, magnificently electrifying, sensationallly invigorating Cotillion! Eyes have not seen and ears have yet to hear what is in store for your enjoyment tonight.

Thank you to the parents, family members, and friends who assisted the Debutantes this year. We appreciate your dedication and commitment to making this year's Cotillion a success.

To God be the Glory for all He has done for us and brought us through. God always gives us more than we deserve. We give Him all the praise, the honor and the glory.

Sincerely,

Patricia McKinney Lewis

"When You've Been Blessed"

by Patti LaBelle

*In a world of superheros,
In a world of weak and strong;
In a sea of have and have nots,
I've survived the raging storm.*

*And I pray for a world where we all can be free,
It's a heavenly vision, It's a garden that I see.
It's a joy that graced the heart of lovin' me.*

*When you've been blessed . . . feels like heaven.
When you've been blessed . . . feels like heaven.*

*I have faith, I have hope. And I trust in the day
When the music from heaven will show us the way.
It's a garden of music, it's a garden of love,
And we are all HIS children sharing gifts from above.*

*When you've been blessed . . . feels like heaven.
When you've been blessed . . . pass it on, pass it on.*

*Always strive to do your best
You can achieve anything in life,
If you are willing to make sacrifices.
Aim high. Success lies not in achieving,
But in aiming at what you have the potential to achieve.
So, hold fast to your dreams, for if dreams die,
Life is like a broken-winged bird that cannot fly.
Dreams will come true if you believe in yourself,
And maintain an undying faith in God.*

The road to success is not straight ...
There is a curve called failure ...
A loop called confusion ...
Speed bumps called friends ...
Red lights called enemies ...

Caution lights called family ...
You will have flats called jobs but ...
If you have a spare called determination ...
An engine called perseverance ...
Insurance called faith ...

You will make it to a placed called success!

"The Priceless Gift"

The priceless gift of life is love,
For with the help of God above
Love can change the human race
And make this world a better place-
For love dissolves all hate and fear
And make our vision bright and clear
So we can see and rise above
Our pettiness on wings of love.

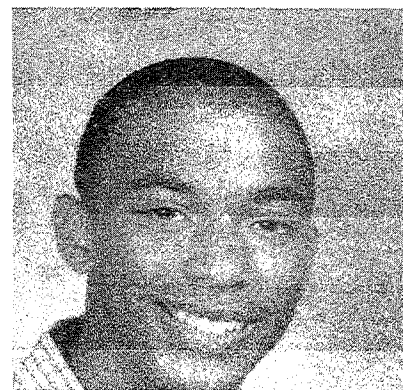

~Helen Steiner Rice

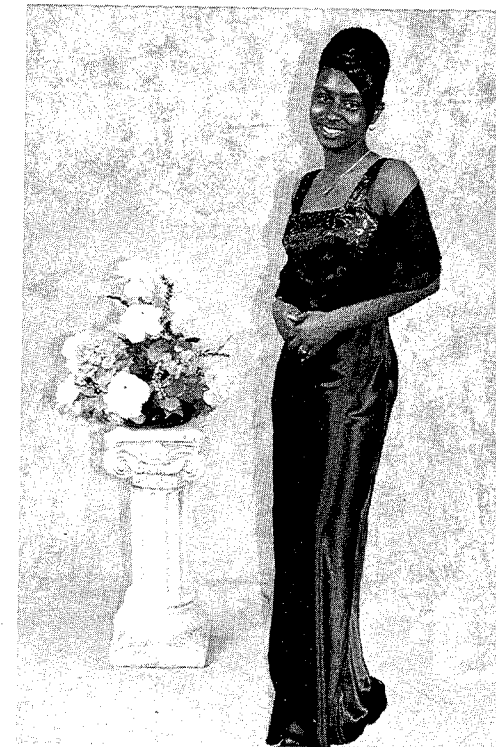

"The Joy of Unselfish Giving"

Time is not measured
by the years that you live
But by the deed that you do
and the joy that you give-
And each day as it comes
brings a chance to each one
To love to the fullest,
leaving nothing undone
That would brighten the life
or lighten the load
Of some weary traveler
lost on life's road-
So what does it matter
how long we mat live
If as long as we live
we unselfishly give.

Thought for Life

"IF YOU THINK YOU CAN, YOU CAN"
You can be total winner even if you're a beginner
If you think you can, you can.
You can wear the gold medallion
You can ride your own black stallion
It's not your talent or the gift at birth
It's not your bank book that determines worth
And it isn't the color of your skin
It's your attitude that lets you win
You can upset Connors or Austin
Or win the marathon at Boston
If you think you can win, you can.
You can profit through inflation
You can redirect the nation
It doesn't matter if you 've won before
It makes no difference what's the half time score
It's never over until the final gun
So keep on trying and you'll find you've won
You grab your dream and then believe it
Go out and work and you'll achieve it.
If YOU think YOU can, YOU CAN!

Congratulations Debutante Tiffany Moreland.

THE REASON WHY I FUSS

To: *Tiffany L. Moreland*

From: *Earl B. Johnson*

I fuss because I know what you can do. I fuss because I believe in you. Now sometimes I may fuss and push you so much that you might want to give up. But I'm glad that you hang in there and understand that I fuss out of love. When I see you achieving and succeeding, I can say that my fussing was not in vain. Congratulations in your achievements. I'm proud of you. So remember if I see you slipping you better believe that you will hear me fussing again, making sure that you do your best to succeed. Also remember that if you feel like no one is on your side, that you always have two, God and me. I will always support you. I'm proud of you and Congratulations again keep succeeding.

Believe in your dreams
Don't ever underestimate
The power of your dreams,
For anything is possible,
No matter how it seems

In each of us there lies the strength
To make our dreams come true,
To do what seems impossible
And to make a difference too.

It only takes a simple dream
To start us on our way
Our achievements of tomorrow
Are the dreams we have today.

Plan Purposefully,
Prepare Prayerfully,
Proceed Positively,
Pursue Persistently!

SUCCESS

The road to success is Not straight ...
There is a curve called failure ...
A loop called confusion ...
Speed bumps called friends ...
Red lights called enemies ...
Caution lights called family ...
You will have flats called jobs BUT ...
If you have a spare called determination ...
An engine called perseverance ...
Insurance called FAITH ...
A driver called Jesus ...
You will make it to a place called Success!

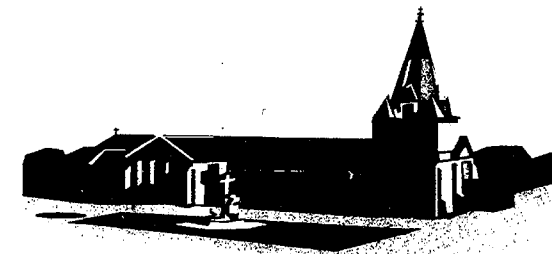

Wishing you much success.

CAREFUL INFIDELITY

"Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body what ye shall put on." Matthew 6:25

Jesus sums up common-sense carefulness in a disciple as infidelity. If we have received the Spirit of God, He will press through and say - Now where does God come in in this relationship, in this mapped out holiday, in these new books? He always presses the point until we learn to make Him our first consideration. Whenever we put other things first, there is confusion.

Good Luck Tiffany!!

Jean

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."
Jeremiah 29:11

Dear FayFay,

When you were born on Sept. 1, 1985, you were given the name "Faith" because there was so little "faith" in the world at that time.

Looking back over the years, there have been many events, in just the short time that your generation has been alive, where God has tested the faith of our nation. Don't ever forget the tragedies that our nation has endured during these years, and remember also the personal encounters that you have witnessed yourself where God performed a miracle right before your eyes. For you know that "the testing of your faith develops perseverance." — James 1:3

God has a plan for you and it was not "accident" that your name is "Faith". Your faith in God thus far has brought you many blessings as well as being a witness to those around you. So, as you continue on your journey through life, remember to keep your faith in God not matter what trials and tribulations you may go through. For "without faith it is impossible to please God." — Hebrews 11:6

Debutante Phelicia Puryear

To Debutante
Phelicia Faith Elavette Puryear,

I Am Enough

When it seems I want to quit,
Because things are tough,
The Savior gently says to me,
"My child I am enough.
I am enough my child,
To take you through this test,
And later you will understand,
It was really for your best.
So my child do not quit,
When things do get tough,
As you will always find,
Indeed I am enough."

CONGRATULATIONS!

PHELICIA "FAITH" PURYEAR

As you make your debut into the world of opportunities, make the Church a part of your life. The Church may be likened to the dressing room of a great theater. Here is where you put on the garments of praise and find the props that are needed out on the stage of life. The Church is where you are equipped, prepared, and cued for the next act along life's way.

William Shakespeare said, "All the world is a stage and all the people on it are players." The world is a stage, but don't walk out on the play. The world needs those who play the small parts, for usually it is to those who play them well that the larger more important parts are given.

As you travel along the road of life, at frequent intervals enter the Church to worship God and depart with a determination to serve the people whom God loves. Above all, "Remember your Creator in the days of your youth." Reflect on the blessings that are yours, blessings you didn't earn but received because of God's love for you. The greatest blessing of all is the Gift of Eternal Life. May you ever be reminded that God's Holy Spirit indwells you to empower, energize, and enable you to accomplish your goals as you obediently follow His directions.

You are a very unique person because of God's exclusive design for your life. No one can stand where you stand, know what you know, feel what you feel, be what you are, or do what you do because there is no duplicate of you! If there is to be any competition in life, compete with your own yesterdays and rise above them in knowledge, skills, and abilities.

You will never have to compete for success because it is relative, individual, and personal. Success is a personal relationship with God, a progressive responsibility to God, and a perpetual reliance on God.

Always remember that a successful life is 100% unshakable faith in the constant presence of God. We pray that you will talk with Him frequently about your plans, your needs, and the desires of your heart.

Love,

Don't Ever Forget

Your presence is a gift to the world,
You're unique and one of a kind.
Your life can be what you want it to be-
Take it one day at a time.

Count your blessings, not your troubles,
And you'll make it through what comes along.
Within you are so many answers,
Understand, have courage, be strong.

Don't put limits on yourself,
Your dreams are waiting to be realized.
Don't leave your important decisions to chance-
Reach for your peak, your goal, and prize.

Nothing wastes more energy than worrying-
The longer a problem is carries, the heavier it gets.
Don't take thing to seriously-
Live a life of serenity, not a life of regrets.

Remember that a little love goes a long way-
Remember that a lot goes forever.
Remember that friendship is a wise investment,
Life's treasures are people...together.

Have health and hope and happiness,
Take the time to wish on star.
And don't forget for even a day...
How very special YOU are!

Debutante Danisha Williams

Congratulations to Danisha Williams.

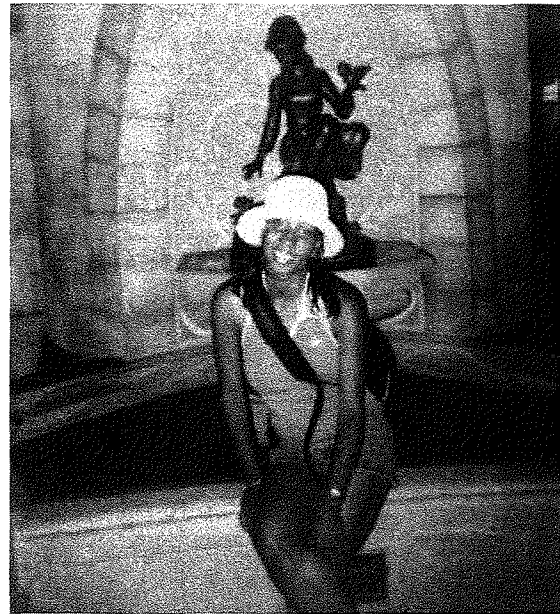

My heart always fills up every time I look at you or your picture, thinking back on the many nights I rocked you to sleep on my chest, praying and hoping that you would some day grow up to be a bright and intellectual, intelligent young lady. Danisha, never forget that you are the owner and captain of your ship. Decisions you make from this moment on in your life can determine or alter your future forever. Danisha, I love you and I'll never stop worrying about you for as long as you and I live.

*Lord I ask that you
keep a place in your heart
and guide Danisha
toward her future and dreams.
In Jesus name, Amen.*

Debutante Danisha Nicole Williams

To our wonderful and special spiritual Niece

Danisha,
Always remember that the greatest tragedy in life is not in death, but life without reason. It is dangerous to be alive and not know why you were given life... Purpose is the master of motivation and the mother of commitment. It is the source of enthusiasm and the womb of perseverance. Purpose gives birth to hope and instills the passion to act. God created you for a special purpose. Therefore, "Trust in the Lord with all your heart, and lean not into your own understanding, in all your ways acknowledge Him and He shall direct your path". (Proverbs 3:5-6) You must remember that your fulfillment in life is dependent upon your becoming and doing what you were born to do and created to do by God.. WE love you and we are always praying for you..

If You Think You Can

When things go wrong, as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low, and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about,
When he might have won had he stuck it out,
Don't give up though the pace seems slow,
You may succeed with another blow.

LaTraya ~ Cynthia ~ Danisha ~ Kanitra

Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far,
So stick to the fight when you're hardest hit,
It's when things seem worse,
that you must not quit.

Danisha ~ Kanitra ~ Chantel

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win but think you can't,
It's almost a cinch you won't.
If you think you'll lose, you've lost;
For out in the world you'll find
Success begins with a person's will;
It's all in the state of mind.

Life's battles don't always seem to go
To the strongest or fastest man,
But sooner or later the man who wins
Is the one who thinks he can.

Friends 4-Life

by Doryan Hallicy

Friends 4- life is what we are
Through thick and thin you were my friend
Leaning on you, you gave me support
The strength to get up and go again

If my heart was shattered, you'd heal it
If my heart was happy, we both rejoiced in it

You are my best friend
always and forever
It's been good
the best friendship ever
Never end, now and forever

Danisha even though we are hardly see each other I still want to say that we are and will always be the best of friends. I LOVE YOU and there's absolutely nothing anybody can do about it. Your Best Friend,

In the words of Maya Angelou:

You may write me down in history
With your bitter, twisted lies.
You may tread me in the very dirt
But still, like dust, I'll rise.

Out of the huts of history's shame
I rise
Up from a past that's rooted in pain
I rise

Bringing the gifts that my ancestors gave,
I am the dream and the hope of the slave.
I rise...I rise...I rise

Work Hard: hard work is the best investment a person can make.

Study hard: knowledge enables a person to work more intelligently and effectively. Have the spirit of conquest: thus you can successfully battle and overcome difficulties. In all things do your best: the person who has done their best has done everything. The person who has done less than their best has done nothing.

Jacquelyn Williams:

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!

You'll be on your way up!
You'll be seeing great sights!
You'll join the high fliers
who soar to high heights.

You won't lag behind, because you'll have the speed.
You'll pass the whole gang and you'll soon take the lead.
Wherever you fly, you'll be best of the best.
Wherever you go, you will top all the rest.

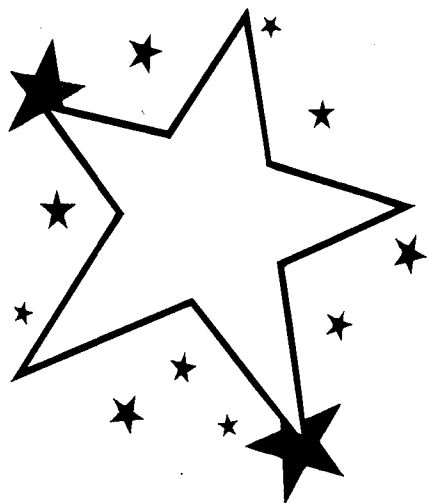

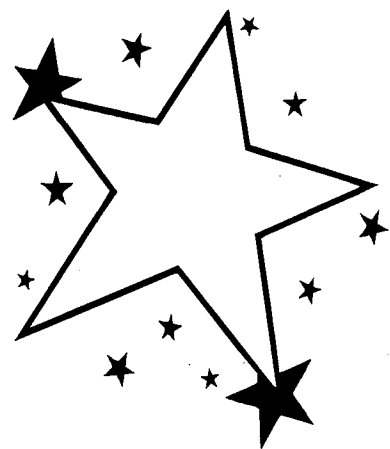

Oh, the places you'll go! There is fun to be done!
There are points to be scored. There are games to be won.
And the magical things you can do with that ball
will make you the winning-est winner of all.
Fame! You'll be famous as famous can be,
with the whole wide world watching you win on TV.

And will you succeed?
Yes! You will, indeed!
(98 and ¾ percent guaranteed.)
KID, YOU'LL MOVE MOUNTAINS!

You're off to great places!
Today is your day!
Your mountain is waiting.
So...*get on your way!*

**Sometimes people set their sights low enough to
protect themselves from failure. Be bold with your
dreams! Don't settle for the easy questions. Aim
high. Create your own "field of dreams".**

**The fulfillment of your dreams lies within you
and you alone. When you understand and accept this,

Success

Success is doing the best you can
With every task and every plan.
Success is speaking words of praise
And cheering other people's ways.
It's silence when your speech would hurt,
Politeness when your neighbor's curt.
It's deafness when the scandal flows
And sympathy with another's woes.

It's loyalty when duty calls
And courage when disaster falls.
It's politeness when the hours are long,
It's found in laughter and in song.
It's in the silent time of prayer
And in happiness and in despair.
In all of life and nothing less
We find the thing we call success!

Congratulations and Best Wishes ...

YOU ARE ONE OF OUR FUTURE LEADERS.**

The very first time I met you I knew there was something different about you. You weren't any ordinary person, you were special! Through high school we have developed a special friendship like none other. You are always there for me for anything and I truly thank you for that. I would not be who I am today if I had not met you. Words can't explain the impact your friendship has had on me. Most of all I am proud of the woman you are becoming and to have you as a friend.

Congrats to Jackie!

May you always
continue to shine!

Upward Bound College Prep Academy

The University of Illinois at Urbana-Champaign has served as the host institution for the Upward Bound College Prep Academy since 1966. The goal of the Upward Bound Program is to provide the skills and motivation that are necessary for students to continue their education beyond high school and enter into a four year college or university. Throughout its 37 year history, the program has placed 90% of its seniors in colleges and universities.

The program offers a wide array of services for students including tutoring, mentoring, academic and personal counseling, and a support group for juniors, seniors and their parents.

The program continues from the academic year through the summer with a residential program where the students receive instruction in math, science, reading, English, foreign languages. Also included in the summer program are cultural enrichment, study center and structured recreational activities.
