## Freshmen Take A Step In The Right Direction

The class of '82 made an impression on Centennial as a class with vitality and enthusiasm. Being the youngest in the school is not the easiest thing in the world, but the freshmen didn't let it bother them and they are looking forward to their next three years at Centennial.

*Luero,  
You are a very nice person  
and a good friend. Hopefully  
I will see you next year.  
Have a terrific summer and  
stay cool. Your friend,  
Stew*
