Striders Confront Unyielding Competition

The Cross Country team had major setbacks early in the year, which accounted for their disappointing season. Co-captain elect, Charlie Brown, who, after last year's performance, was to be a top runner went out for football instead. The striders were thus left a young and inexperienced squad. Coach Al Griggs had only 4 seniors who finished out the season—J. D. Cupp, Greg Hornaday, Tom Shapland, and Dave Vermillion—and was determined to build for the next season. Prospects are juniors Rick Fifield and Steve Fink and sophomores John Dicky and Jeff McCall.

An assortment of warm-ups and various other activities help prepare the Cross Country Team for an upcoming meet.

The meet against Danville begins with members from both teams scrambling for the pole position with their minds intent on winning.

Sophs Enjoy Good Season; Vistas Bright

The Sophomore Football team with the encouragement of Coaches Ed Fredricks and Bob Nelson exhibited sporting talent in a fine season of 5 wins, 2 losses and 1 tie. Gary Gerhardt and Larry Laur held honors for the Sophomore line while speedy Floyd Marion driver Ken Scribner and lefty Steve Ward assured the team of a scoring threat. They have much to be proud of after their great scoring season. Centennial is promised a fine 1970 team with the bright prospects available.

The main theme for the 1970 basketball team was improvement. Coach Tomlinson helped Centennial's basketball program by giving all Sophomores game experience. His efforts seemed to be highly successful as was illustrated by standouts Tony Davis and Steve Ward who by the end of the year started in varsity games. Gary Lovingfoss was a steady sure performer who should provide future varsity teams with talent. It was not, however, just these individuals who made the team; all members participated to make Sophomore Basketball a valuable experience.

Determination, Work Create Basketball Team

The Varsity Team beholds five
they hope will bring
victory.

Many Friday and Saturday nights found basketball being played in a "Charger Country" gym. Round leather flew through nylon nets of twine in devastating accuracy. Fast breaking Joe Bishop, backboard popping Dan Grider, butterfly ball handler Scott Davis along with marksman shooting Greg Hornaday and remarkable defensive Tom Shapland generally made up the starting five. They did not, however, dominate all games. Under the remarkable coaching of Dick Jones, team members learned to work as a team. The teamwork was evident in the 11 win-5 loss record. Although the basketball team did not start winning until mid season, team spirit did not die as they knew they had the speed and ability to win. Their determination and athletic power paid off as a victorious team was acknowledged by shouts of "We're proud of our team!"

Speed, Aiming, and Agility Evident in Varsity Cagers

Sophomore Steve Ward cracked into the starting lineup late in the season and will probably be important to future teams.

The starter raises his gun as the Centennial Guard checks their stop watches and a Charger tanker gets into starting position.

Led by varsity swimmers Bruce Kelso (captain), Lyndell VanDyke, Richie Mulvihill, Murray Dowell, and Dave Morgan, the Centennial swimmers again had a victorious season. Although this was a rebuilding year the Chargers had a good 7-5 record. This might be explained by the fact that each Charger swam over 310 miles in practice. They also had the indomitable support of the Centennial Guard and coach Ed Fredrick's readily available advice to spur them on. During Centennial's existence, neither Urbana nor Central has ever beaten us; this year was no exception. Keeping a Centennial tradition, the Chargers sent representatives to the state swimming meet. They were Greg Petry for diving and Lyndell VanDyke for the 100 yd. Backstroke. The high point of the season was the Chargers once again becoming Capitol Conference Champs.

Wrestlers Experience, Earn Winning Season

The varsity wrestling squad along with Coach Nelson, grimly survey the efforts of a fellow wrestler.

Victories and aggressive wrestling were the trademarks for the Charger team this year. Under the superb instructions of Coach Robert Nelson and assistant coach Paul McGarvey the Centennial Grapplers compiled a 11-3 dual record. The Chargers captured fourth in the Capitol Conference and ended the season by securing a third out of thirteen teams in district competition. Standout individuals were Steve Harrick and Roger Stone. Steve was the team's first Capitol Conference titlist, and Roger grappled the first individual title at district. Tournaments placers in Capitol Conference were Ed Neely, Mark Doane, Jim Gumbel, and Tom Hess. In district, Jim Gumbel, Matt Noffke and Mark Doane captured thirds. While the varsity squad was in its winning season, the junior varsity squad was right behind them. With this inspiration this year, the potential for next year's squad is tremendous.

1969 Baseball Team Exhibits Improvement

Coach Winstead is counting on previous year's letterman, Mark Dunn to provide experience for 1970's team.

1969 all city candidate, Bob Strohl, hopes to repeat good pitching ability.

The 1969 Baseball team showed a considerable amount of improvement over Centennial's previous team. The team struggled through bad weather to compile an 8-10 record.

The highlight of the season was a 3-2 win over Urbana in the district.

The 1969 team was led by senior captains James Kresca, John Walden, and Larry Wilson.

Centennial's 1970 baseball team hopes to continue with the improvement theme.

Pitcher Bob Strohl and shortstop Mark Dunn are hopeful experience providers for the team.

Juniors Roy Hornsby and Rusty Smith, and promising sophomores

like Steve Ward hope to help the team

in pursuing a victorious season.

Row Four: Jack Durant, Mr. Jester, Mr. Griggs, Mr. Quinlan.

With a very determined look on his face, Captain J. D. Cupp warms up for the quarter mile.

Potential Of 1970 Track Team Promising

Fine prospects for the 1970 squad, Tim Schweighart, Kevin McCarty, J. D. Cupp, and Bob Henry, share a baton they will soon pass in relay.

The track team of 1969 was coached by Harold Jester, Al Griggs, and Roger Quinlan. Captain Chuck Luckmann led the cindermen in their attempt to develop all potential and come out ahead. The Chargers, however, ended up with a disappointing 1 win—4 loss dual meet record. The highlight of the season came when the cindermen sent a mile relay team to the State Meet. The 1970 track team, led by captain, J. D. Cupp and returning lettermen Randy Craig, Steve Dillman, Bob Henry and Tim Schweighart, is hopeful of a winning season. The team has more potential than any previous prospective team, and coach Harold Jester has hopes for a fine showing of this team in his final season of coaching.

TENNIS. Front Row: Bruce Shuman, Rob Brown, Curt Clower, Bruce Johnson, Tom Timmons, Tom Neils, Ross Peabody. Back Row: Coach Bob Avery, Coach

Anderson, Jim Crawford, Steve Dushane, Bill Staley, Dan O'Connell, Charles McCarthy, Joe Oswald, Tony Pleviak.

1969 Netmen Earn First Tennis Trophy

Looking forward to the start of the tennis season, top prospects Jim Crawford and Bill Staley discuss their after school drills.

Coached by Bob Avery Centennial's 1969 tennis team compiled a 7-10 record. The squad was led by seniors Bruce Shuman, Rob Brown and Danny O'Connell. Bruce Shuman was not only the top man on the squad, but he also was one of the leading players in the Capitol Conference. The highpoint of the season was Centennial earning its first tennis trophy, gained by a fourth place finish in a tough Springfield Invitational. It was there that Bruce Shuman defeated the number one ranked player, John Nolan in three straight sets. Coach Joe Tomlinson takes over this year for Bob Avery, who left to coach at Mattoon. Mr. Tomlinson looks for this year to be one of building. Senior letterman Charles McCarthy, along with junior lettermen Curt Clower and Bill Staley will hopefully provide experience for the 1970 team.

Two year letterman Tom Shapland practices his golf swing with concentration and precision.

Winning Theme Prominent in Golf Teams

The 1969 Golf Team continued the winning theme established by the 1968 team. Coached by John Macek, the team rolled to a 13-4 dual meet record and took a 2nd in Capitol Conference competition and a 3rd in District. The 1970 Golf team has hopes of continuing the winning tradition. Depth, however, could be a problem for the Chargers as they have only one two year letterman, Tom Shapland, returning. Besides Tom, who is expected to improve on his 5th place finish in the Capitol Conference last year, Coach Macek hopes to help all other team members become outstanding players. Once again, Centennial will play one of Illinois' toughest schedules including a 32 team invitational that is hosted by the Chargers.

1969 GOLF TEAM. Front Row: Coach John Macek, Dave Bouck, Bob McElligott, Tom Shapland, Lee Smith, Chuck Langlois, Steve Tock, Chris Wojnar, Roger Shuman. Back Row: Mark Pritchard, Jeff Schultz, Bill Hayes, Rod Fletcher,

Emotions, Thinking Aroused in English Courses

One of the many tasks befalling English Composition students Sue Kramer, Pam Gifford, and Debbie Crawford are the many hours of research in the library.

Seniors Rita Gerstanberger, Teresa Petry and Bill Morgan remain after school to discuss important issues with Mr. Moore and Mrs. Andersen.

Culture, Art Discussed in Language Dept.

Students in the foreign language department learned that there was more to a language than grammar and vocabulary. Culture and artistic and literary history had to be learned too. Even with all this, it was still necessary to master an accent. For many students this was next to impossible. But with the help and patience of an interested instructor the difficult tasks were not so hard, and, at some times, class was actually fun.

Social Studies involves not only study and assignments but also creativity in the form of a mural.

Many of the problems of psychology are contemplated by Ricky Mulvihill, Thiri Johnson, and Flo Morgan as they listen attentively to a lecture.

World History evokes lively discussion concerning world development from the students.

Truths and Understanding Parts of Study

The world and its problems opened up to students in the Social Studies department. The students had various history classes from which to choose including World History, American History, Negro History, and Contemporary History. Students of psychology and sociology delved into the behavior of individuals and social groups, while financial problems were answered in Economics. The Social Studies courses brought world problems into focus and social issues within the reach of the student.

Math is filled with surprises, as Judy Simpson discovers, while peering through a transparency.

" $\sin a + \cos a = 1$ " explains Dennis Gilbert as Andy Gilmore, Greg Wettman, and Vince Boston look on with interest during their daily gathering in college trigonometry.

Math Confuses But Intrigues Academicians

Algebraic equations, geometry proofs, and trigonometric functions once again plagued students of mathematics at Centennial. But problems were usually found to be quite simple after a professional explanation from one of the many fine instructors; a bit of comic relief came into play when student teachers tried their hands at explanations. The Math Department offered a wide range of subjects, including algebra, intermediate algebra, geometry, trigonometry, and college algebra. In taking these courses some students discovered that with the help of an interesting, interested teacher, math could be fun as well as profitable to them in the future.

Going to the board, as an unidentified student realizes, is one of the many problems faced by young mathematicians today.
