Homecoming 1968

Preparations went along all week for the Homecoming festivities on Friday and Saturday. Floats were readied for the parade on Friday afternoon, and the Seniors won the competition for the best float. The Queen and her court were announced at the pep assembly after school Friday, rode in the parade, and reigned at the dance on Saturday. Its title was "Homeward Bound". The football game was lost to the Bloomington Raiders, and except for that, everything went well.

The Senior float was an octopus by a goalpost, grabbing some Bloomington players, for the theme, "Occupy the End Zone." The Juniors' theme, "We'll Swallow Anything but De-Feet," was carried out by a whale swallowing a Bloomington team member. The Sophomores made a large can of Raid on their float for the theme, "Raid the Raiders."

Election Night

Suspense

On election night '68, people gathered in the cafeteria at school to watch the election returns come in on the TV. Results of the Presidential, gubernatorial, and congressional elections were posted as they were announced. People wandered around the room, watching the different networks on three television sets, discussing favorites, and speculating about who might carry which states. The watch at school ended long before all the returns were in, but even so, by that time it seemed most likely that Richard Nixon would be our next president.

Tough

No matter how you slice it, it was a highly successful year for Urbana. The team beat Champaign Central, won the 4th ranked Belleville, Springfield and placed the team with 4 honorable mentions. The team's co-captain Jeff Smith, Walker, Pete Jones, Pete Alagna, and Mike Rusk all earned honorable mention. Pete Alagna was named "Most Improved Lineman". Kerry Hopkins won the "Player of the Year" award. The team won 26-0 victories over Springfield and Urbana lost its next game to Althoff. Urbana was defeated by Hopkins, only to see the team of the opposing quarter back hitting team he had evened them twenty pounds. Urbana beat Springfield 39-15, but lost to Althoff 25-7 in a very ugly game. The team won "The Game" giving Coach Smith to even his record at 8-8.

Urbana's rugged defense smothers unfortunate ball carrier.

Scatback! Willie Southall does just that.

Tough Rugged Tigers

No matter how you slice it, the Urbana football team had a highly successful year despite its mediocre 5-4 record. They beat Champaign Central 13-6, came within seconds of defeating 4th ranked Belleville Althoff, defeated previously unbeaten Springfield and placed three men on all-conference teams with 4 honorable mentions. The three all-conference selections were co-captain Jeff Smith, Mike Rusk and Mike Daly. Bruce Walker, Pete Jones, Pete Alagna and Willie Southall made honorable mention. Pete Alagna was "Most Valuable", Mike Rusk "Most Improved" and Jeff Smith "Best Offensive Lineman". Kerry Hopkins was winner of the "Defensive Player of the Year" award. The Tigers started the season with 25-0 and 26-0 victories over Rantoul and Decatur Mac Arthur. Urbana lost its next two games 7-0 to Danville on a questionable call and then a 27-25 heartbreaker to Belleville Althoff. Urbana was led to 25-7 by quarterback Kerry Hopkins, only to see their lead dissolved by the superb passing of the opposing quarterback. Coach called Urbana the hardest hitting team he had ever seen against a team which outweighed them twenty pounds per man. Urbana recovered to beat Springfield 39-15, but they lost at homecoming to Bloomington 25-7 in a very uninspired game. However Smitty's men won "The Game" giving them a winning season and enabling Coach Smith to even his record against the cross-town power at 8-8.

Up and Coming Tigers

It was another successful year for the Urbana Sophomores. They compiled a fine 6-3 record which included a victory over cross-town rival Champaign Central. The Tiger Cubs, coached by Dave Casstevens, had five men eventually moved up to varsity. Sophomore Mike Franke was the varsity place kicker most of the year. Other sophomores lost to the varsity included center Steve Lovett as back-up man to All-Stater Jeff Smith, Reggie Clark, and B. J. Brown, both of whom were used to fill in at safety. Preston Neal was also employed by Coach Smith as he played quite a bit as a middle-linebacker toward the end of the season. He was also star running back for the sophomores. Bob Carrie, picked up his own fumble and ran it through the middle of the line for a game saving touchdown. All in all it was a very successful year, and the young Tigers should be very helpful next year as they move up to varsity.

Young Tigers Gain Experience

Young tigers gain experience and finish strong. Coach Oscar Adams' '68-69 Tigers entered the season young and inexperienced, but emerged as an efficient and much improved ball club. Barely able to buy a game early in the season, the Tigers came back to revenge several earlier Big 12 losses, upset Centennial and advance to the Regional finals before bowing to Champaign. Despite their slow start, the Tigers came back to even their record and finish with a respectable 12 wins and 15 losses. The '69 Tigers were generated by Captain and all-Big 12 guard, Willie Southall. Willie was indispensable as both playmaker and scorer (13.0) and provided the team with much needed stability and experience. He was supported by A. C. Upshaw, Ron Williams and John Huett up front and Mac Bigger in the back court. Amazing (jumper) Upshaw led the team in rebounding and was second in scoring (12.4). Together with Biggers (10.6), Huett (8.2) and Williams (9.1), he should help lead a strong and experienced offensive attack for next year's Tigers. The Tigers started four juniors and have thirteen underclassmen. If they continue to improve next year, as they did in '69, Urbana could again become a major basketball club in Central Illinois. Later Urbana went out and proved that they're the team to watch with a brilliant win over Centennial to catapult them into the District finals against state ranked Central.

Fast Finish

Even though the sophomore team had a 5-17 season, they were better than their record indicates. They suffered through bad times during the season, dropping close decisions and ending up on the short end of the breaks. Coach Bill Plymire worked his charges hard, and by the end of the season they had improved considerably. When the Centennial Tournament rolled around, they had achieved a position of prominence by defeating Centennial, Uni High, Normal and Rantoul, and capturing the tourney championship. Preston Neal, Reggie Clark, Bearie King, Gene Davis, Don Rogers, Pete Seagle, Steve Gladson and Louie Green were all of first string calibre.

Engles-Tigers Are Successful

Pete Engels, third place finisher in the state wrestling meet, signified the end of a successful wrestling season. The Tigers managed to scrape out a 6-9 season mark, despite the loss of two outstanding wrestlers of a year ago, Ron Dix and Pete Alagna. Unlike many Urbana teams of the past, the Tigers starred not in the duel meet season, which their 6-9 season record indicates, but in the major tournaments preceding. The conference, first major tournament of the season, found Urbana placing seven men and finishing a strong fourth, just behind Champaign who took third. The Tigers outdid themselves the following week at the district tournament in Rantoul. This time the Tigers placed eight men and finished third, some 20 points ahead of Champaign. Urbana was topped only by Danville and a mighty Rantoul team unbeaten in 17 duel meets. The district meet saw Urbana qualify four wrestlers for the sectional meet at Norman. The champions were Pete Engels, Nick Gibala, Ford Mautz, and second place finisher Carl Lyman. Later on in the week, they were joined by third place finishers Chris Copeland and Steve D'urso, qualifying as a result of injury to a qualifier ahead of them. With six sectional qualifiers the Tigers charged into Normal where they captured 4th in one of the toughest sectionals in the state. Rantoul, the district winner and one of the favorites finished with a mere 4 points. Pete Engels and Nick Gibala, state qualifiers for the second year in a row, carried the Tiger hopes into the Assembly Hall. Although Nick dropped his first match, Pete managed with a fine third place finish, giving Urbana 11 points and a 15th place finish. Coach John Gremer will lose five lettermen to graduation; 112 pounder Jeff Stein; (9-10), conference and district champ, 127 pounder Rod Humes, 133 pounder Neil Richardson, and conference champ, district champ, and sectional champ, Pete Engels.

Almost Great

The Urbana swimming team developed into one of the midstate powers in '69. Their record was a mediocre 5-5 but they rose to the occasion in the district and conference meets, finishing third and second respectively. It was a tremendously successful year from the standpoint of individual performances, as five new records were established and three men plus a relay qualified for state competition. Leon Yankwich qualified in the 50 freestyle and set a new district mark of 22.7. He also set a school record of 57.0 in the 100 freestyle and won two conference crowns. Ted Odom closed out his high school career in freestyle as he qualified for state on the strength of his district diving win. He also set the conference diving mark. Andy Miller was indispensable in winning two firsts in conference and district, setting a 400 freestyle record of 4:07, and qualifying for the state meet. The 400 yard freestyle relay team of Creighton Laz, Jim Glasa, Jim Weisiger, and Leon Yankwich also qualified for state as they broke the school record in 3:33.5. Another record, the 160 medley relay, was tied in 1:24.5 by Jim Weisiger, Chris Brown, Creighton Laz, and Leon Yankwich.

Many swimmers contributed to the effort, Chris Brown in the I.M., John May in Butterfly, Jim Glasa and Creighton Laz in sprints, Jim Weisiger in Backstroke, and Bob Glasa in Breaststroke. The necessary depth for any successful team was provided by Pete Brown, Neil Frownfelter, Bob Hutchinson, and Dave Mussey.

Harrier Depth Proves Potent

With the help of three exceptional Sophomores and six returning lettermen, Bill Plymire's '68 Tiger Harriers compiled a fine 10-4 dual meet record and finished third in both the conference and district meets. Among these four losses, two came against a powerful Danville team and the other two were suffered to teams which the Tigers beat convincingly in later invitational. To their dual meet record, the varsity added a first at the Paris invitational, and the Sophomores were undefeated in dual meets, first at both Paris and Centennial. Despite an injury to Captain Larry Abernathy and sickness of other top runners, some good individual performances and substantial depth proved potent against most opponents. Junior Gary "the Machine" Shaw and Senior John Sherrod led the Tigers to their ten victories and both qualified for the state meet at Savoy. A severe blow to the team was a knee injury to Captain Larry Abernathy, which put him out for the season. These two were supported by Sophomore Marc Chandler, Seniors Bob Werkman, Roy Roberts, Rich Cureton, Mike Giddens, and Jim Kruidenier and Sophomores Greg Shaw and Bill Judd.

The **Echo** made its stand as an open means of expression for all students. Student opinions, editorials and news items filled the pages of the Echo. However when the April Fools' Day edition was in the making the editors set aside tradition. The result caused a few blushing faces and much laughter. Excellence was the Echo's motto.

Urbana High School would not be complete without the contributions of its student government. **Student Council** performed many services for the school as well as for the community. These activities included cleaning bleachers, giving Christmas baskets and sponsoring council workshops. To make money, Student Council sponsored a "Chili Fiesta" in the fall. This was a pre-Talent Show dinner complete with candles and guitar music. In the winter, the council sponsored a formal dance which featured the crowning of "Miss Rosemary". The job of **Inter-High** this year was to serve as a channel for communication of ideas and opinions between the four high school student councils. In March Inter-High sponsored a semi-formal dance to bring all the students of the high schools together.

A.F.S. members spent many hours making money to help support our visiting exchange student. The first Shorts Day of the year was held in the early fall. Slacks Day came as its follow-up in the winter. As hard as the members tried, it seems the boys refused to pay to come to school on Slacks Day. However, this financial obstacle was overcome with the selling of chocolate bars and boxes of chocolate. **Den Council** offered the Tiger's Den as a year-long center for student relaxation. Various attractions such as silent movies and jazz bands kept the Den open for the changing times. The Den Council sponsored the Homecoming Dance, "Homeward Bound", and the music was by the Gay Poppers. **Senior Council** members were given the awesome responsibility of organizing the traditional activities of the senior class. They took in hand Class Night, the Senior Picnic, and the class gift. Between the desires of the seniors and the rules of the administration, they took a balanced position between preserving the glamour and the peace.

Several of the club members attended the **IAFTA** convention in March. During second semester, the senior members of **FTA** were allowed to become cadet teachers in nearby schools. At the end of their teaching time, the cadet teachers honored the teachers they worked with at a potluck supper. **FHA** began its year of activity with a formal initiation featuring the traditional **FHA** ceremony. **FHA** meetings included a fashion show by Lewis' Fashion Board, and a lecture and demonstration by a well known hair designer. In the spring, **FHA** recognized National **FHA** Week with posters and radio announcements. SK, the all girls Social Klub at Urbana High, started the year off with the traditional Big-Little Sister Party. This gathering was to make the sophomore girls feel welcome and to help upperclass girls become acquainted with the underclass girls. Later in the year, the girls decorated the Christmas tree which graced the halls of UHS and later was given to a needy family. The club honored the senior girls with a breakfast in the spring. **Pep Club** worked hard this fall to arouse spirit for the football season. They decorated halls with crepe paper and balloons. Pep assemblies were organized and new enthusiasm surged with the "Victory Yell" competition. During the basketball season, balloons and hats heralded in the Champaign-Urbana games.

Looking Ahead

Distributive Education or D.E. is a national program that has been established in Urbana High School for about five years. The program includes classwork, job training and club activities. This year, the club participated in local and state competitions. **Industrial Cooperative Education** or I.C.E. has been at Urbana High School for almost a quarter of a century. This program, like D.E., is a national program which consists of classwork, job training and club activities. During the Christmas season, the club sponsored several Christmas baskets. **Future Business Leaders of America** or F.B.L.A. began its second year as a chartered club with several organizational meetings. To earn money, the members sold Christmas candles and Ko-Rec-Type. Throughout the year the club featured several guest speakers at their meetings. In the spring, the club attended a state convention in Springfield.

The tradition of the club was upheld at the annual Latin Club Banquet. The feast was enjoyed by members in togas and tunics, and only the underclassmen slaves were heard grumbling. The **Spanish Club** began the school year with a picnic at Crystal Lake Park. Later in the fall, Alicia Seltzer spoke to the club on Argentina at a post-football party. They also listened to records from Bolivia as they munched on sugar doughnuts and hot chocolate. Later in the year the club had many successful money making projects. **French Club** planned their first activity around Christmas time. The club members traveled by bus throughout Urbana singing popular carols in French. Later a party was held at Mrs. Stravinsky's to warm up and sing a little more. In the spring, the annual picnic was held.

This year the **Debate Team** began their busy schedule with contests with Centennial and Bloomington. They chose the draft as their topic. In the spring, they participated in the sectional and state contests. Many members of the **Art Club** were able to travel to Europe last summer in a student art program. In the fall, the students reported their experiences to the club. During the Christmas season the club sponsored a Christmas party. This spring art students submitted several works to the Scholastic Art Awards Show. Telescopes, lasers, and rockets were studied, duplicated, and experimented with by members of the **Jets Club**. In the fall, the president of the State Jets Club visited the high school club here to talk with the members. In the spring, the club made field trips to the University to see the electronic and observatory labs there. When they were not doing individual experiments or sightseeing, the members worked on group experiments.

The Wet and Dry of It

Early this year tryouts were held for girls and boys interested in becoming members of **Orchestis**. The girls learned various types of leaps, turns and routines. In addition to this, each girl was required to create her own dance. The old members and Mrs. McWhorter, their sponsor, judged tryouts. The goal of the club this year was to present the best show possible. "And All That Jazz . . ." included every type of dance from jazz and ballet to an African drum dance.

Terrapin also sponsored clinics for all interested girls. Shortly after, they had tryouts and selected new members. The new members were subjected to the annual initiation. This included such hardships as competing against the old members in relays, serving as slaves, and singing at a moments notice the club song. The water show, which was presented in April, was entitled "Swimming the Channels", and it dealt with the various types of television programs.

The activities of the **Thespians** centered around the two plays, *See How They Run* and their contest play *The Glass Menagerie*. To become a Thespian, one must earn ten points by working a hundred hours on the various crews or by being in the cast of the play. During the Christmas season, they sponsored a bake sale to earn the money needed for producing the plays. To become a member of **Delta Sigma** one must earn half of the necessary points to become a Thespian. This year's Delta Sigmas worked in cooperation with the Thespians on the crews for the plays. They also earned extra points by helping with the bake sale.

The **A Cappella** choir began a busy schedule of appearances with their annual fall concert. Throughout the year they filled their calendar with performances in various churches and clubs throughout Urbana. In the spring, the choir went on tour to various communities in Illinois. The all-girl **Canzoni** choir sang for the fall and winter programs. Like the A Cappella choir, the Canzoni choir made several appearances for community organizations. The **Madrigals** sang for many private organizations as well as for school concerts. Madrigals groups originated in the 15th century with their own unique style. The girls in their long skirts and the group assembled around a table helped to recreate the 15th century atmosphere. The **Varsity Band**, directed by Mr. Davis, also performed for numerous school concerts. Between concerts the boosted Tiger spirit at many of the home football and basketball games.

The Marching Band: The stomping feet, sounding horns and booming drums of the Urbana High School marching band spurred on Tiger spirit at every home football game. Even through the blizzards at the Champaign-Urbana game, the marching band entertained spectators at half time with favorite melodies and expert formations. The formations were highlighted with costumes, dance steps and appropriate props. The band was led by Drum Major, Paul Kilgore, and his assistant Drum Major, Bob Wikoff. **The Majorettes:** Once again the majorettes tossed their batons over the end goal post in the traditional Goal Post Review. At Homecoming this year all five of the batons were successfully thrown and caught. Tradition says that for every baton successfully thrown and caught, the Urbana Tigers will win a football game. **The Pom-Pom Girls:** The high-spirited girls in the short white skirts never stopped jumping, smiling, or shaking their pom-poms. During half time activities, the orange pom-poms bloomed across the football field. **The Banner Girls:** Marching with the band, the Banner Girls supported flags bearing the names and colors of each school in the Big 12 Conference. When they were not marching with the band, they complemented the formations of the band with their own marching routines. On October nineteenth, the Urbana High School marching band traveled to Wesleyan, Illinois, to participate in the Homecoming activities there.

Superintendent Ray Braun

To the Class of 1969

Congratulations. You have achieved an important goal in your quest to be an educated man or woman. One of the difficulties of education and, at the same time, the glories of education is that it is a lifetime program. One never really has an education in the final sense, but is always in the process of acquiring education. We know that what was learned yesterday may not be entirely true today; the frontiers of education are ever expanding, discovering that which is new and that which needs revision and correction. No man or woman is really truly educated who feels that his education was completed with a diploma from high school or college.

If I had one wish for you, it would be that you would continue to learn whether or not your formal education is continued beyond high school. Good wishes for a happy, productive and worthwhile life.

Ray H. Braun
Superintendent of
Schools

**Principal
William
Fromm**

New to our faculty this year, Mr. Fromm came to us from Lakeview in Decatur, where he was principal. His educational background includes a B.S. and M.S. from the University of Missouri and 20 years experience in the field. A very innovative man, open to suggestion, Mr. Fromm promises to make many exciting changes in education at U.H.S.

Message to the Seniors

To the class of 1969

You are finishing one of the most important periods in your life. The accomplishments and the disappointments will be etched vividly upon your memories throughout the years. With the past as your starting point, meet the challenges of the future with renewed vigor, and success will be yours. I hope that we, who

remain at U.H.S., have shared in the responsibility for the good things that come your way. Best wishes to you, and congratulations to the Rosemary staff who have recorded the history of an outstanding Senior class.

Assistant Principal

Nineteen Hundred Sixty-Eight brought new responsibilities to Mr. Thomas. Formerly a teacher of sociology and world history at U.H.S., he, this year, become our newest Assistant Principal. Known throughout the community, as well as the school, for his kindness and sense of fair play, Mr. Thomas has fulfilled his role well. We congratulate him on his new position and wish him well.

Assistant Principal

Miss Sally Fisher played an active role in U.H.S. life this year. She is presently co-chairman of the Guidance Committee, Chairman of the Scholastic and Honor Society, Chairman of the Activity and Calendar Committee, and sponsor of Girls' Social Klub. She is also immediate past chairman of the High School Section of the National Association of Deans and Counselors. Miss Fisher is more than a dean or counselor and much of her kindness to students is on an individual basis. For these people we thank her for her help and encouragement.

Assistant Principal

Mr. Richard Thompson, Assistant Principal in charge of curriculum, works directly with the principal and departments coordinating programs and devising new approaches to high school learning. A former science teacher, swimming coach, & counselor, his broad knowledge of many areas has contributed much to the programs and procedures at Urbana High School. A very able amateur golfer, Mr. Thompson's thoughtful, pleasant manner has won him the friendship and respect of students and faculty alike.

Introducing the Seniors

of 1969

98

Pop bottle drives, car washes, and light bulb sales made up this class's major efforts during their Sophomore and Junior years. The money they made financed the prom, "A Man and a Woman", for the Seniors of 1968.

ACT and SAT exams and applications for colleges, schools or jobs occupied the Seniors during their last year at the high school. Graduation meant the end of their first step into adulthood, and the future was greeted with characteristic enthusiasm.

Front — Wanda Thomas, Pub. Char.; Pam Smith, Sec. *Back* — Andy Miller, V. Pres.; Jim Wilson, Pres; Fred Fejes, Treas.

Sophomores Listen and Learn

The **Junior class** of Urbana High School started off the year by winning the homecoming float competition. However, they were later disqualified when it was judged illegal to use a blanket in the construction of a float. To earn money for their class projects, the Juniors collected pop bottles and sold toothbrushes. The **Sophomore class** ranked a close third in the float building competition. Unabashed, they turned to their money making projects. In the spring, they presented a musical concert.
