## Strong Sophs Have Varsity Potential

The 1967 sophomore football team lived up to the fine tradition set by previous Urbana teams. The Tigers scored a total of 178 points in 10 games and finished with a winning 7-3 record.

This year the sophs had a big line which opened up many holes for running backs like Kerry Hopkins and held the opposition to short yardage. Coach Dave Castevens attributed much of the young Tigers' success to their "traditional Tiger fight and spirit."

## Young Harriers Already Strong Competitors

1967 was a year of change for the Urbana cross-country team. Gene Armer, who had given excellent coaching to Urbana teams for almost twenty years, was gone. The top six runners of the 1966 team, who had led Urbana for three years were also gone.

But the tradition of fine Urbana cross-country was not gone. The tradition has continued with a new coach, Bill Plymire, and with a young team containing only one senior. The acknowledgement of this tradition was evident in the performance of this year's Tiger runners.

Urbana began the season with a victory over Paris and finished the season with a dual meet record of 6-3. The Tigers also did very well in the big meets containing more than thirty schools. In the Paris Invitational, Captain John Sherrod was the individual winner and led his team to second place overall. The highlight of the season was a strong second place finish in the Big 12 Conference Meet.

John Sherrod led the team for most of the year until he suffered a painful hip injury. Larry Abernathy, the second man, filled in for John so well that Coach Plymire awarded him the Captainship for next season. Gary Shaw, just a sophomore was next with juniors Roy Roberts, Mike Giddens, Leon Cardiff, and senior Jeff Alexander rounding out the seven runners. With six men returning next year, there is no doubt that the tradition will be carried on.

## *Tigers Cope Regional Title, Best Record Ever*

1968 was a year of triumph for Urbana basketball. In addition to winning the regional title, the Tigers won twenty-two games to set its best record in the history of the school. They finished a very close third in one of the state's toughest conferences, and the greatest triumph of all was defeating arch rival Champaign Central two out of three times, to establish their rule over the twin-cities.

With a Team composed mainly of seniors, Coach Oscar Adams put together an aggressive, experienced and balanced team. Top scorer, Ardel Webb, Co-captain Bill Mock and Ron Butler all had scoring averages within a few points of each other. Co-captain Dave Werkman, Willie Southall, Mark Beckrum and Terry Ruppel added to the Tiger depth.

But the whole season came down to the regional game between Champaign Central and Urbana. The teams had split their two previous games and were battling for twin-city supremacy and the chance to advance further in the state tournament. And the game itself came down to the final 6 seconds with Champaign leading 60-59. They passed the ball into Willie Southall, who dribbled his way toward the basket as the seconds ticked away. Three Champaign players converged on the 5'10" Tiger as he let fly. The ball floated thirty feet through a hushed gymnasium and then swished through the basket without touching the rim.

## Sophomore Cagers Mount Stretch Drive

After a shaky start and a few ragged performances, Coach Bill Plymire's sophomore cagers settled down and jelled into an efficient unit that came on strong in the last half of the season. The Tigers won only 2 of their first 8 games but came back to win 6 out of 10 in the home stretch which included several reversals that revenged earlier losses and a tremendous triple overtime win over Champaign.

During the season, Ron Williams and Mac Biggers led the scorers with 14.1 and 11.0 averages respectively. Williams also led the team in the rebounding department, but he received some strong support from Kerry Hopkin, John Huett and Steve Shafer who displayed the fine rebounding strength of the team, a quality that should prove to be a great asset in the future as a varsity unit.

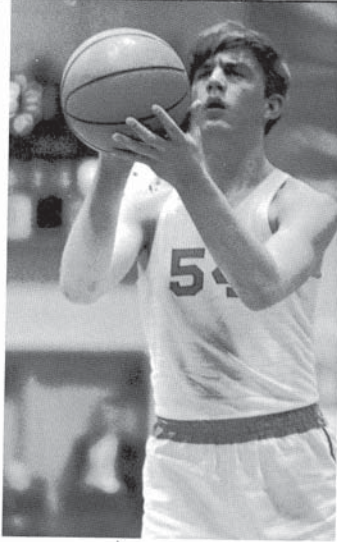

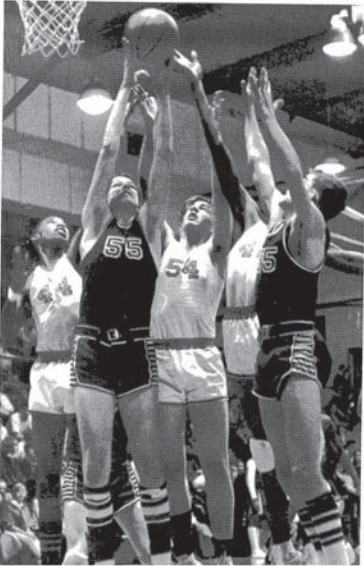

Coach Bill Plymire's instructions point the way to victory.

## Tanker Performances Impressive

A balance of experienced seniors, improved juniors and developing sophomores paced Stan Summers' tankers to one of their most successful seasons, highlighted by an excellent 3rd place finish in district. The Tigers compiled a respectable 4-5-1 record against stiff competition that included 3 close defeats that could have been victories.

Among the upperclassmen, Captain Bruce Bowser ended his third year as an outstanding Urbana swimmer with a 7th place finish in state and was joined by Earl Payne who swam near record breaststroke times and Dan Bareither who gave the team added depth in the sprints. Among the juniors, Ted Odom again proved his diving skill by placing in district and going on to state, and Andy Miller swam to the district crown in the 400. Other juniors included Rich Cureton and Creighton Laz in the sprints and Chris Brown in the I.M. and breaststroke. Sophomores John May, Jim Weisinger and Jim Glaza added valuable contributions also and supplied some much needed depth.

## Grapplers Young, Balanced

Despite having only three seniors on the team, the 1968 Tiger grapplers performed admirably. Led by conference champion, Pete Alagna, the wrestlers showed the balance and potential that promises more fine teams in the future.

"Gremer's Grapplers" compiled a 7-8 record against rugged competition. The strength of the Tiger competitors was demonstrated by the fact that five of their eight losses were not decided until the final match.

The high point of the season was the district meet where Alagna, Nick Gibala and Eric Aldrich all captured first places with Ron Dix taking seconds. Both Alagna and Gibala reached the State Finals.

## Winter Conditioning Builds Strong Bodies . . .

For many years, Urbana athletes who did not participate in a winter sport but wanted to keep in good physical shape did so through the winter conditioning program. Calisthenics, running, and weightlifting on the school's new weight machine all helped to give athletes a head start when their own sport began.

The pleasant task of bringing greetings to the Graduating Class of 1968 and to the Urbana High School student body is a welcome privilege. As I write this on Lincoln's Birthday, 1968, I confidently predict that the 1968 ROSEMARY will be a worthy addition to the 57 other ROSEMARIES.

The class of 1968 will share its commencement year with two other memorable events, the celebration of the Centennial of the U. of I. and the celebration of Sesquicentennial of the State of Illinois.

Seniors of 1968, may you cherish memories of many good times and pleasant associations during your years in Urbana High School. May you look back on them with poignant nostalgia as happy, worthwhile years of rewarding work and play. For you the future holds wonderful opportunities and grave responsibilities.

I hope that your graduation will be an important step in your progress toward desirable goals and that you may enjoy the benefits of a long, happy, and rewarding life.

To those members of your class and others who have helped to produce this *Rosemary*, I want to extend hearty congratulations. As the years ahead dim the details of your activities at U.H.S., the *Rosemary* will help to regain the focus and warmth you enjoyed while you were here.

To each of you, as you move another step closer to your goal, I would like to wish for you much success and happiness.

Mr. Richard M. Thompson

## *Our Dean of Boys*

Mr. Thompson is our Assistant Principal and Dean of Boys at Urbana High School. He has been kept busy this year with administrative duties and counsel concerns. Many students have found Mr. Thompson to be of great help while making plans for their futures. He has held the positions of Co-Chairman of Guidance Committee, and membership in the Homecoming and Traffic Control Committees.

Miss Sarah Jane Fisher

### *Our Dean of Girls*

We will all remember Miss Fisher as one of our counsellors and deans. She was also an Assistant Principal. Her duties did not end there though. She was Co-Chairman of

Guidance Committee; Chairman of Scholastic and Honor Societies; Chairman of Activity and Calender Committee; and sponsor of Girls' Social Club.

She was serving the second year of a 2-year term as the High School Section Chairman of the National Association of Women Deans and Counsellors.

### *A New Addition to the Administration*

Mr. Sini was new to Urbana High School this year. He came to us from Elmwood Park where he was Head of the English Department. He was serving as Curriculum Co-ordinator and Assistant Principal at U.H.S.

## *Presenting the Seniors of 1968*

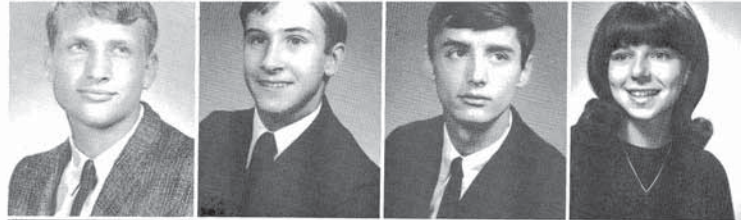

"We are winners, that's our fate. We're the class of '68." This was the seniors' motto, and they lived up to it. In May of 1967, they gave the seniors a successful prom with "Daisies Won't Tell" as the theme.

During the year, the class worked for a reunion of the class of '68 in '68.
