

Annual C-U Day Fashion & Talent Committee
(Non For Profit Organization)
Presents....

Scholarship Donation Program

In 2009 a bi-annual scholarship program was established to benefit Champaign-Urbana area youth striving for a post-secondary education. Our mission is to enhance the quality of life within the community. Public service, leadership development, and education of youth are the hallmark of our committee's program and activities.
All proceeds go toward the scholarship donation and event cost.
