

Divas for Christ

International Youth Ministry

D.I.V.A.S. for Christ Ministry is about outreach to Christian discipleship for young girls of all churches.

Divine... Having a Godlike nature & being connected to worship

Inspirational... Giving one another enthusiasm to do or create

Virtuous... Having moral goodness, being of good quality, suitable and skilled

Anointed... to be blessed or installed into an important position

Sisters... female siblings with at least one of the same parents and being closely linked

DIVAS will teach girls biblical truths in a way that relates to their day to day living patterns, to help them make God-Pleasing decisions.

It is structured in a class setting, but it is not a class, the last thing that teens want is another class, DIVAS for Christ is a Sisterhood, It is gender specific for to enhance the development of girls into women of God. Girls are faced with so much confusion and temptation in their daily lives, but a setting catered to girls they can connect with each other and older mentors who can invest them through Bible Study and Activities to help them grow in their faith to get answers to the questions that they face.

D.I.V.A.S ministry wants to empower, educate, and motivate young teenage women to reach for and achieve their highest potential through Jesus Christ our Savior. From this day forward each year, Divas wants to work diligently to ensure that we continue in this tradition. It is my hope that this ministry/ fellowship will uplift and empower all Diva teenage girls ages 12-18 in many areas of personal and spiritual development.

As a young women, friends, students, athletes, and teenagers they experience stress, neglect, peer pressures into sex, drugs, gangs, and many more trivial matters that inhabit their spiritual growth.

We are deeply committed to making sure that every teen gains knowledge about recommitting Christ to self in their relationships and friendships with others.

This ministry incorporates lessons on life with God's word from the Bible. The purpose is to help teenage girls deal with the everyday problems

and pressures of growing up while upholding Christ centered values.

The FUTURE for DIVAS for Christ
