Beauty Enhances a Successful Homecoming

Cries of "Beat the Senators" rang through the air as the week of Homecoming progressed. The sophomores "Impeached the Senators", while the juniors "Pressed out a Victory", and the seniors "Pictured a Tiger Victory". Float building reached a fevered pitch as the day of the parade drew near. The day came and with it the presentation of our Homecoming queen, Karen Phillips, and her court, Mary Sliger, junior attendant, and Shirley Crouse, sophomore attendant. The queen, court, floats, and three truck loads of students, led by the band, traveled through downtown Urbana showing the citizens their pep and enthusiasm. The classes worked toward a feeling of unity in defeating the Senators of Springfield. True to their word they did beat the Senators. The Tigers won 27-6. Under a "Harvest Moon", couples rounded out the eventful week at the Homecoming Dance.

Tigers Run Over Opponents

Prospects for the 1966 football season were uncertain, as Coach Warren Smith faced one of the most inexperienced teams of his career. Could this year's team uphold the fantastic record of recent Urbana powers? Lacking superstars but having excellent potential and desire, the 1966 Tigers began their season.

As expected, the Tigers started slowly (that is, slowly for Tigers), beating Rantoul 13-0. But with each game they gained poise and precision and developed into one of Smitty's best teams.

They finished the season with an exceptional 8-1 record, placing them 2nd in the Big 12 and bringing Urbana's 3 year record to a phenomenal 25 wins and 2 losses. Their offense racked up 2591 yards, while their defense held opponents to only 1368 yards.

The Tigers were strong in every position, which gave their opponents no weak link to exploit nor a superstar to key on. Nevertheless, outstanding individual performances occurred during the season. Most noteworthy was Jim Primmer's rampage at Danville. Aided by the excellent blocking of the offensive line, Jim scored 4 touchdowns and set an Urbana rushing record of 258 yards. Jim, co-captain Brad Humes (fullback), Bob Birt (quarterback), and Junior Pelmore (halfback) composed the backfield. Playing both ways in the line were Doug Koch, Russ Graybeal, Ron Smith, Ed Kuester, Tom Dickinson, Larry Johnson, and All-State center Joe Valerine. Co-captain Ken Sensenbrenner and Waldron Award winner, Dan Morris, excelled on defense.

Sophs Ready for Varsity

This year's sophomore football team achieved a fine record and showed that they will be ready to compete on the varsity level. The young Tigers compiled a 6-2-1 record, splitting their two games with Champaign.

Speed was a trademark of the team. With fine running backs, such as Willie Southall, there was always the threat of a breakaway run. Coach Dave Casstevens said the team had improved greatly this season, as shown by victories over teams which had beaten them in previous years. "The team lacked size but made up for it with hustle and desire," Cass stated.

Urbana Harriers Dominate Downstate Illinois

Coach Gene Armer has a knack for producing cross-country runners who exhibit what he calls "the four qualities for success: dedication, hard work, perseverance, and pride." The 1966 cross-country team of Urbana proved again that Mr. Armer's formula bears excellent results. The team was undefeated in eleven dual meets, bringing Coach Armer's 19-season record to 147 wins and only 18 losses. They brought home Urbana's 11th Big 12 title and 10th district title in 19 years. They dominated downstate Illinois cross-country.

As the scores of the dual meets point out, this year's Tiger team faced little stiff competition. With such weak opponents, as Champaign and other area teams, Urbana's preparation for the bigger meets, which included Chicago area schools, was definitely handicapped. Nevertheless, the team had a magnificent season.

Leading the successful Tiger harriers was captain Alan Taylor, who finished first in the conference and district meets, and sixth in the state meet. Other members of the team were Stan Dilley, Mike Eastin, Tom Jordan, Jerry Lyman, Dan Sherrod, and sophomore John Sherrod. Coach Armer, praising these boys stated, "I never had a team I enjoyed any more than this team. They were a dedicated bunch and they worked hard."

Outstanding captain, Alan Taylor, won every dual meet this season.

Cagers Up and Down, but Exciting

For the Urbana Tigers the 1966-67 basketball season was one of ups and downs, hot nights and cold nights, good breaks and bad breaks. Potentially, the team was as good as Urbana's best. They had depth, scoring ability, rebounding power, and speed. And actually, their 16-10 record was better than it appears, for 7 of their 10 losses were to state-rated teams.

Despite discouraging losses for a team which through junior high and high school had become accustomed to winning, several bright moments were registered. The team's 16 wins included a rare defeat of Decatur in their gym and a 3rd place finish at the Danville Tourney. Some of the best games played by any Urbana team were this year's devastations of Mattoon, Bloomington, Monticello, and Peoria East. Even some of the losses had encouraging aspects, as the Tigers nearly twice defeated Schlarman and achieved a half-time lead against powerful Springfield.

The scoring this year was extremely well balanced with the averages of captains, Larry Johnson and Jerry Lyman, and teammates, Bill Mock, Mark Beckrum, Ron Butler, and Jerry Wells, all within 5 points. Rebounding, led by Bill Mock and Larry Johnson, was the team's strong point. Shooting was their weak point. The latter category, however, was plagued more by inconsistency than by lack of ability. In fact, inconsistency was the team's affliction all season long. At times they were mediocre, and at times they were great. But when they were great, they were unbeatable.

Sophomore Cagers Finish Strong

It was a successful year for Coach Dave Casstevens' sophomores, who after a shaky start developed into a sound team with many promising qualities. Although scoring responsibilities fell most heavily on swift Willie Southall and high jumping Jim Wilson, the sophomores' greatest asset was teamwork. With this teamwork they managed to avenge early losses to Springfield, Lincoln, and Decatur and win 7 of their last 10 games. Although not evident at the beginning of the season, the poise and cohesion which this team demonstrated as they developed is a promising sign of varsity success for the next two years.

Individual Efforts—Tremendous

Urbana's swimming team proved to be one of the strongest in years, finishing 5th in District and qualifying three individuals and the medley relay team for the State meet. Individual qualifiers were Bruce Bowser in the 100 yard backstroke, Ted Odom in diving, and Paul Brown in the 100 yard breaststroke.

As usual, individual strength surpassed team depth. This fact accounted for several close losses in which Urbana swimmers, weary from previous races, were forced to compete against fresh opposition.

Nevertheless, tremendous individual effort and fine coaching from Stan Summers accounted for several new records and an outstanding swimming season.

John Gremer's wrestlers demonstrated well their proficiency in a sport which encompasses agility, strength, endurance, and the tradition of good sportsmanship.

The year was highlighted by the performances of Marc Renfrew, one of the top heavyweights in the state, the leadership of Captain Bub Fatheree, excellent strength in the higher weights, and the promising signs from several underclassmen.

The Tigers compiled a respectable 7—5—1, finishing 7th in the Conference, 3rd in the District, and 9th in the Sectional.

1967 Echo Gives Wide Range of News

"Competing with the clock" was one of the *Echo* staff's problems this year. In order to present a wider variety of news, better fitting copy, eye-catching headlines and more feature and news stories, the staff put in many extra hours of hard work. All of this diligent work contributed to an outstanding *Echo*.

At the end of the year came the choosing and training of the news editors and page editors, and a picnic to celebrate past successes. The *Echo* was honored this year by being chosen President of the Illinois State High School Press Association.

A New Approach Towards Fund Raising

A.F.S. started out the year with the goal of earning fifteen hundred dollars. Their biggest project was a fund-raising drive which included the school and the community. Classes competed for donations and tallied their scores on moneyometers. Students also spent long hours collecting donations from the community. To add to this, A.F.S. sold donuts after school and organized Bermuda shorts days. Because of their efforts, we are proud to say that we had the pleasure of meeting Hans Frummerin, our foreign exchange student from Sweden. Joyce Starr also had the opportunity to spend a summer in Finland.

Student Ideas Materialize

The question that has been going around for years is, "What has student council done for me?" Here are a few examples of its accomplishments this year: the new student-planned lounge, the beneficial tutoring program, the Tigerectory, the faculty tea, welcome packets for our new students, class elections, Student exchanges, debates, football clean-ups, Winter Formal, Vice Versa week and a workshop. Now after reading this list, don't you think we should forget the above question and give the student council our sincere thanks?
