## Beauty Enhances a Successful Homecoming

Cries of "Beat the Senators" rang through the air as the week of Homecoming progressed. The sophomores "Impeached the Senators", while the juniors "Pressed out a Victory", and the seniors "Pictured a Tiger Victory". Float building reached a fevered pitch as the day of the parade drew near. The day came and with it the presentation of our Homecoming queen, Karen Phillips, and her court, Mary Sliger, junior attendant, and Shirley Crouse, sophomore attendant. The queen, court, floats, and three truck loads of students, led by the band, traveled through downtown Urbana showing the citizens their pep and enthusiasm. The classes worked toward a feeling of unity in defeating the Senators of Springfield. True to their word they did beat the Senators. The Tigers won 27—6. Under a "Harvest Moon", couples rounded out the eventful week at the Homecoming Dance.

## Tigers Run Over Opponents

Prospects for the 1966 football season were uncertain, as Coach Warren Smith faced one of the most inexperienced teams of his career. Could this year's team uphold the fantastic record of recent Urbana powers? Lacking superstars but having excellent potential and desire, the 1966 Tigers began their season.

As expected, the Tigers started slowly (that is, slowly for Tigers), beating Rantoul 13—0. But with each game they gained poise and precision and developed into one of Smitty's best teams.

They finished the season with an exceptional 8—1 record, placing them 2nd in the Big 12 and bringing Urbana's 3 year record to a phenomenal 25 wins and 2 losses. Their offense racked up 2591 yards, while their defense held opponents to only 1368 yards.

The Tigers were strong in every position, which gave their opponents no weak link to exploit nor a superstar to key on. Nevertheless, outstanding individual performances occurred during the season. Most noteworthy was Jim Primmer's rampage at Danville. Aided by the excellent blocking of the offensive line, Jim scored 4 touchdowns and set an Urbana rushing record of 258 yards. Jim, co-captain Brad Humes (fullback), Bob Birt (quarterback), and Junior Pelmore (halfback) composed the backfield. Playing both ways in the line were Doug Koch, Russ Graybeal, Ron Smith, Ed Kuester, Tom Dickinson, Larry Johnson, and All-State center Joe Valerine. Co-captain Ken Sensenbrenner and Waldron Award winner, Dan Morris, excelled on defense.

## Sophs Ready for Varsity

This year's sophomore football team achieved a fine record and showed that they will be ready to compete on the varsity level. The young Tigers compiled a 6—2—1 record, splitting their two games with Champaign.

Speed was a trademark of the team. With fine running backs, such as Willie Southall, there was always the threat of a breakaway run. Coach Dave Casstevens said the team had improved greatly this season, as shown by victories over teams which had beaten them in previous years. "The team lacked size but made up for it with hustle and desire," Cass stated.

# Urbana Harriers Dominate Downstate Illinois

Coach Gene Armer has a knack for producing cross-country runners who exhibit what he calls "the four qualities for success: dedication, hard work, perseverance, and pride." The 1966 cross-country team of Urbana proved again that Mr. Armer's formula bears excellent results. The team was undefeated in eleven dual meets, bringing Coach Armer's 19-season record to 147 wins and only 18 losses. They brought home Urbana's 11th Big 12 title and 10th district title in 19 years. They dominated downstate Illinois cross-country.

As the scores of the dual meets point out, this year's Tiger team faced little stiff competition. With such weak opponents, as Champaign and other area teams, Urbana's preparation for the bigger meets, which included Chicago area schools, was definitely handicapped. Nevertheless, the team had a magnificent season.

Leading the successful Tiger harriers was captain Alan Taylor, who finished first in the conference and district meets, and sixth in the state meet. Other members of the team were Stan Dilley, Mike Eastin, Tom Jordan, Jerry Lyman, Dan Sherrod, and sophomore John Sherrod. Coach Armer, praising these boys stated, "I never had a team I enjoyed any more than this team. They were a dedicated bunch and they worked hard."

Outstanding captain, Alan Taylor, won every dual meet this season.

# Cagers Up and Down, but Exciting

For the Urbana Tigers the 1966-67 basketball season was one of ups and downs, hot nights and cold nights, good breaks and bad breaks. Potentially, the team was as good as Urbana's best. They had depth, scoring ability, rebounding power, and speed. And actually, their 16—10 record was better than it appears, for 7 of their 10 losses were to state-rated teams.

Despite discouraging losses for a team which through junior high and high school had become accustomed to winning, several bright moments were registered. The team's 16 wins included a rare defeat of Decatur in their gym and a 3rd place finish at the Danville Tourney. Some of the best games played by any Urbana team were this year's devastations of Mattoon, Bloomington, Monticello, and Peoria East. Even some of the losses had encouraging aspects, as the Tigers nearly twice defeated Schlarman and achieved a half-time lead against powerful Springfield.

The scoring this year was extremely well balanced with the averages of captains, Larry Johnson and Jerry Lyman, and teammates, Bill Mock, Mark Beckrum, Ron Butler, and Jerry Wells, all within 5 points. Rebounding, led by Bill Mock and Larry Johnson, was the team's strong point. Shooting was their weak point. The latter category, however, was plagued more by inconsistency than by lack of ability. In fact, inconsistency was the team's affliction all season long. At times they were mediocre, and at times they were great. But when they were great, they were unbeatable.

## Sophomore Cagers Finish Strong

It was a successful year for Coach Dave Casstevens' sophomores, who after a shaky start developed into a sound team with many promising qualities. Although scoring responsibilities fell most heavily on swift Willie Southall and high jumping Jim Wilson, the sophomores' greatest asset was teamwork. With this teamwork they managed to avenge early losses to Springfield, Lincoln, and Decatur and win 7 of their last 10 games. Although not evident at the beginning of the season, the poise and cohesion which this team demonstrated as they developed is a promising sign of varsity success for the next two years.

# Individual Efforts—Tremendous

Urbana's swimming team proved to be one of the strongest in years, finishing 5th in District and qualifying three individuals and the medley relay team for the State meet. Individual qualifiers were Bruce Bowser in the 100 yard backstroke, Ted Odom in diving, and Paul Brown in the 100 yard breaststroke.

As usual, individual strength surpassed team depth. This fact accounted for several close losses in which Urbana swimmers, weary from previous races, were forced to compete against fresh opposition.

Nevertheless, tremendous individual effort and fine coaching from Stan Summers accounted for several new records and an outstanding swimming season.

Ted Odom shows the form which took him to the State finals.

## Heavyweights Spark Young Tiger Wrestlers

John Gremer's wrestlers demonstrated well their proficiency in a sport which encompasses agility, strength, endurance, and the tradition of good sportsmanship.

The year was highlighted by the performances of Marc Renfrew, one of the top heavyweights in the state, the leadership of Captain Bub Fatheree, excellent strength in the higher weights, and the promising signs from several underclassmen.

The Tigers compiled a respectable 7—5—1, finishing 7th in the Conference, 3rd in the District, and 9th in the Sectional.

# “There’s Rosemary— That’s for Rememberance”— Shakespeare

With “increased efficiency” as a motto, the *Rosemary* staff set out to make the 1967 *Rosemary*, “A Profile of Progress”, a more exciting publication. A symbol was introduced to give continuity to the book. A “first” for the *Rosemary* was a summer supplement, intended to give increased coverage to spring sports and honoraries.

## 1967 Echo Gives Wide Range of News

"Competing with the clock" was one of the *Echo* staff's problems this year. In order to present a wider variety of news, better fitting copy, eye-catching headlines and more feature and news stories, the staff put in many extra hours of hard work. All of this diligent work contributed to an outstanding *Echo*.

At the end of the year came the choosing and training of the news editors and page editors, and a picnic to celebrate past successes. The *Echo* was honored this year by being chosen President of the Illinois State High School Press Association.

## A New Approach Towards Fund Raising

A.F.S. started out the year with the goal of earning fifteen hundred dollars. Their biggest project was a fund-raising drive which included the school and the community. Classes competed for donations and tallied their scores on moneyometers. Students also spent long hours collecting donations from the community. To add to this, A.F.S. sold donuts after school and organized Bermuda shorts days. Because of their efforts, we are proud to say that we had the pleasure of meeting Hans Frummerin, our foreign exchange student from Sweden. Joyce Starr also had the opportunity to spend a summer in Finland.

## Student Ideas Materialize

The question that has been going around for years is, "What has student council done for me?" Here are a few examples of its accomplishments this year: the new student-planned lounge, the beneficial tutoring program, the Tigerectory, the faculty tea, welcome packets for our new students, class elections, Student exchanges, debates, football clean-ups, Winter Formal, Vice Versa week and a workshop. Now after reading this list, don't you think we should forget the above question and give the student council our sincere thanks?

With the hum of the sewing machine and the clatter of the pans, FHA was off to an industrious start. A number of speakers was featured talking on fashion and decorations for the holidays. Members participated with other schools in the area at workshops. For Christmas, parents were treated to a pot luck dinner. Many afternoons and evenings were spent by the members making curtains for the student lounge.

FHA was headed this year by Susie Sleeter. ## FTA—Students Brought Closer to the Life of Teaching

"One who imparts knowledge or instructs," members of FTA set their goals to this definition. One step in which they followed their objectives was absorbing information given by guest speakers on the subject of teaching. New and different ideas of instruction were passed on to FTA'ers during FTA week. Senior members were given the opportunity to teach in elementary and secondary schools in the district.

FTA members made Christmas tray favors for children at Burnham City Hospital.

# Help Restore Florence

Putting their talent on exhibit and sale, the Art Club made and sold sculpture, jewelry, and paintings to help raise money to repair the damaged art work that was devastated by floods in Florence, Italy.

Adding a touch of color and interest, the club also furnished many items of their work for Urbana High's new student lounge.

The members traveled to Chicago to visit the Art Institute. They held a picnic at the end of the year.

# Combos Through the Year

The Tigers Den Cou High School organization's primary purpose is to provide activities for high school students. The Den sponsors dances and Saturday night entertainment. The Tigers Den has been successful for forty years with the help of parent guidance.

# Jet Age Progresses

JETS Club's main project for the year was to build a helium-neon gaseous laser which would be used to explore the new and challenging fields opened by the discovery of coherent light. The club hoped to complete the project in time for the annual Exposition and Conference which was held on March 10 at the U of I Physics Building. The members tried to get companies to contribute needed equipment and raised over \$100 to buy the rest.

The club took field trips and visited the U of I laser labs for ideas and advice. David Reyes-Guerra, State Director of JETS clubs, gave lectures and arranged the field trips.

Who else but the Tri-High Council? This group consists of representatives from the three high schools in the Twin Cities. # Vive la France!

French songs filled the air, the aroma of warm pastries lingered, and at every turn of the head colorful costumes of France could be seen. This aura of French life prevailed at the French Club banquet. During the year, speakers and field trips gave the members an insight into France. To round out the year, a picnic was given.

Starting with a bang of the auctioneer's gavel, Latin Club's senior members bidded for sophomore slaves at the annual slave auction. The slaves were at the beck and call of their masters throughout the year especially at the Latin Banquet which was filled with the flavor of old Rome. Concluding the year for Latin Club was a picnic that released the slaves from their bondage. They then began to discuss tortures for next year's slaves.

## Orchesis—Dry Nymphs Terrapin—Wet Nymphs

"I could have danced all night . . ." Although that is not the exact motto of the Orchesis members, for they are often tired from strenuous exercise, the girls did sometimes dance almost all night during rehearsals for the show. "We the People . . ." the theme of the show in which various facets of life were portrayed through dance, was presented in February.

The girls also performed for benefit shows throughout the year.

The "Wild West" was portrayed by the Terrapin members in a show given in April. After many land and water drills, the girls swam for an audience decked in costumes representing the characters of the old West such as cowboys and Indians.

## Expanding Band Talents Accommodated

Diligent practice, eagerness, and a love for music contributed to a successful year for the Concert Band. The students revealed their efforts to Urbana High students and the community in three performances. They presented two Winter Concerts in December and February and a Spring Concert.

A highlight of the year was a tour to El Paso and Lewistown, Ill., with the Orchestra and A Capella Choir. The musicians stayed over night with members of the community in El Paso and then presented a morning performance in El Paso and an afternoon performance in Lewistown.

Off and on during the year, the members of Concert Band participated in solo ensemble contests. The individual musicians were able to display their talents and compete with others who possessed the same type of talent. At the end of the year an awards banquet was held.

## Tiger Marching Band Sparks Enthusiasm Encourages Crowd Participation

“Here they are, the Tiger Marching Band,” boomed the voice over the loud speaker, and on to the field in an array of orange and black paraded the Urbana High School Marching Band. The band became known for its superb work. Many authorities said it was the best musical group the high school has had in ten years and the best in the Big Twelve. All this acclaim was not gained without effort.

This band, led by Mr. Robert Jorgensen and his assistant Mr. James Brooks, began preparing weeks before school started. Formations had to be learned and drills had to be exercised. It took many hours of diligent practice, but the fine programs presented by the marching band proved that the work was well worth the effort.

## Learning Through Experience

Urbana's fine occupational program gave many juniors and seniors the opportunity to work at a wide variety of jobs. The students attended morning classes and in the afternoon worked on their selected jobs, acquiring new skills. In the spring their employers were honored by a dinner.

This year Barbara Miller and Jerry Lyman were recipients of two awards, DAR, SAR, and Elk's Leadership Award. They were chosen on good citizenship and leadership ability. Boys' and Girls' State representatives were judged according to scholastic average, interest in governmental activities, and personal interviews. Urbana was especially proud to have several boys elected to local government offices, and Pam Rice elected Lieutenant governor of the entire Girls' State.

Quill and Scroll is the international honorary society for journalists. The members are those juniors and seniors who work either on the *Rosemary* or *Echo* staffs, who rank in the upper third of their class, and have the recommendation of their sponsor.

The Lighting and Stage Crews worked back stage during school productions. The crew members were interested in lighting techniques and the behind-the-scenes technicalities of show production.

Jerry Lyman and Betsy Hanson rivaled for the Hatchet during Class Night.

Betsy Hanson, Junior Class Orator and Jerry Lyman, Senior Class Orator enthusiastically await the contest.

# INDIVIDUALS

# Superintendent Ray Braun

In preparation for this brief message for the 1967 Rosemary, I have browsed through some of the yearbooks of the last two decades. Poignant memories were revived of the many, many good leaders and the hundreds of worthy students who have received the coveted diploma.

One reflects that values in the world beyond high school are somewhat different and some who did not excel in high school have done so, in adult life. I am sure that this is as it should be. It is well that the swift and the popular do not win all the prizes. The realization of long range goals sometimes means a deferment of immediate rewards.

Seniors of 1967, I sincerely hope that your lives, so newly begun, will be long, happy, and successful. For the administrative staff and the Board of Education, I would like to extend hearty good wishes for a rewarding and worthwhile life.

## To the Class of '67

Those of you who are graduating will remember that it was your class which was the first senior class to have enjoyed the additional space of our new addition. Your graduation should mark the beginning of a new and interesting phase of your lives, and whatever you do, let your deeds and accomplishments reflect honor upon yourselves and U.H.S. In those months and years ahead, as you take some moments to remember, let the pages of this excellent Rosemary sharpen those memories for you.

MISS SARAH JANE FISHER

As usual the year has been a busy one for Miss Fisher, Assistant Principal and Dean of Girls at U.H.S. Besides performing her regular duties, she has served as sponsor of Social Club, Chairman of Activity and Faculty Calendar Committee, Chairman of Scholastic and Honor Societies, and Co-Chairman of Guidance Committee.

## Our Deans

MR. RICHARD M. THOMPSON

Mr. Thompson, Assistant Principal and Dean of Boys at U.H.S., has been active this year with administrative and counseling duties. He has aided students in making college and career plans, and has held such positions as Co-Chairman of Guidance Committee, and membership in the Homecoming, and Traffic Control Committees.

Charles M. Carpenter

## A Tribute to Charles Carpenter

Charles Carpenter taught U.S. History and Economics at U.H.S. from 1952 until his death March 22, 1966. While at Urbana, he served as sponsor of the junior classes of 1954 and 1965, the senior classes of 1955 and 1963, and the Travel Clubs of 1954 and 1955.

As a major and later lieutenant colonel during World War II, he gained national fame as "Bazooka Charlie" for knocking out Nazi tanks and planes. Lt. Col. Carpenter piloted a reconnaissance Piper Cub which he mounted with six "bazooka rockets" that fired from a trigger in the cockpit.

After the War, Mr. Carpenter became Commander of Cadets at Roosevelt Academy and later joined the University of Illinois History Department where he taught for five years before coming to U.H.S.

It is perhaps impossible to do Mr. Carpenter justice and no words can really tell what kind of man he was. A war hero who never spoke of the war—a rugged athlete who also wrote poetry—a gentleman who spoke with tolerance and wisdom. This he was and more.

# Presenting the Seniors

of 1967

The graduating class of 1967 can look back on their last year with wonder, laughter, and tears. To most seniors the year was one of unauthorized pleasures such as skip days, fun in the senior hall, as well as a year of learning with daily Rhet journals and proper lab techniques. Of course there was the revealing Class Night, the frolicsome class picnic, and the bestowal of the class gift. Following these traditional senior activities came Graduation Night, the climax of the senior year.

JUNIOR CLASS OFFICERS—*Front row:* Mary Sliger, V-Pres.; Tom Moyer, Pres.; Barb Tiebout, Sec.; *Back row:* Terri McLennan, Treas.; Barb Seyler, Publicity Chairman.

“We’re the winners; That’s our fate; We’re the class of ’68.”

## Sophomores Get Acquainted

Adding a new touch of eagerness and ambition, the class of '69 entered Urbana High. Off to a good start for their Junior-Senior Prom, they had a bake sale and a car wash.

Heading the sophomore class were: Vance Kepley, Pres.; Nancy Perkins, V-Pres.; Peggy Slife, Sec.; Crissan Spencer, Treas.; and Barb Robertson, Publicity Chrm.

## Juniors Worked to Win

As in every past year, the juniors were faced with the task of earning money for the Junior-Senior Prom. Their main project was a university connected activity which earned the bulk of their money. The juniors consistently won money from various types of class competitions. They gave the seniors a successful prom in the Lincoln Square Mall.

“We’re the greatest; We’re so fine; We’re the class of ’69.”

Taking courage in hand, I set out to make changes, which would hopefully be improvements, in the *Rosemary*. More and better pictures, efficient use of space and time and continuity through the use of a recurring symbol, were the objectives of the 1967 *Rosemary* staff. As with any new exploit, problems arose, but early morning work sessions and allday suckers made it possible for the staff to overcome difficulties. Discouragement stepped in sometimes, but I did not let it damper my optimism for editing a yearbook for your enjoyment. I present you the 1967 *Rosemary*.

## Distance, Depth and Team Balance

### Keys to Tiger Success

Led by a fine group of distance runners and unusual strength in the field events, Coach Gene Armer's Urbana Track Team swept to its second undefeated season in two years and were favored as conference and district champions. The Tigers started their winning ways with victories in two indoor meets; the Normal Relays and the Central Illinois Relays. In the outdoor season Urbana defeated strong fields at the Paris and Normal Relays and the Shelbyville Open. But the highlight of the regular season was a narrow 65—62 victory over arch rival Champaign.

The distance races proved to be Urbana's strongpoint. Alan Taylor, Mike Eastin, Dave Werkman, Stan Dilley, and co-captain Chuck Warwick were capable of running anything from the quarter to the two mile. Sprinters Mark Long and co-captain Jim Primmer along with hurdlers Rick Lincicome and Doug Koch added to the Tiger balance. This year Urbana was reinforced in the field events, usually a Tiger weakness. Sophomore Jim Wilson leaped 6'-4" to place among the state high-jump leaders, and Dan Sherrod and Harvey Treat led the pole-vaulters to great heights. In the weights, discus-throwers Brad Humes and Mike Crawford proved a formidable team along with Joe Valerine and Marc Renfrew, both whom put the shot over 50 feet.

Miler Alan Taylor breaks the tape far ahead of the pack.

Co-Captain Jim Primmer warms up during practice.

Brad Humes unleashes the discus under watchful eye of Dave Casstevens.

Weightman Marc Renfrew puts the shot.

Anchoring Urbana's mile relay team—co-captain Chuck Warwick.

Dan Sherrod vaults under threatening skies.

## Spirit Matches Skill

Doug Koch takes the lead at the first hurdle.

Willie Southall breaks the tape in the sophomore 440.

Jim Wilson sets area high jump record—6'4"
