Round One (20m)

What does a safe community look like? In that vision, what is the role of community members? Of the police force/police officers?

(5m switch)

Round Two (20m)

Based on your experiences, what is the difference between the vision safe and how things are?

(5m switch)

Round Three (15m)

Given these difference, what specific actions would move how things are to how we want them to be?

Transition (10m)

*of those answers, circle the items that are what the police force/chief/officers would do differently?

*read these items aloud

(15m)

Given these responses, what questions do you want to put to the candidates for police chief? Create as many as you want, but capture three, share one.
