About C.H.I.E.F.S.

This event will support community members interested in discussing community concerns surrounding the hiring of a new Champaign Police Chief. The conversation will be guided by community members and will focus on what is wanted and needed in a Police Chief in our community.

The event will be an opportunity for the community to provide questions focused on the community concerns that may be used by the Search Committee at the public "Meet & Greet" with the final 4 candidates on December 8 sponsored by the NAACP.
